Instructional Accommodations for Students PreK-12

A Posture for Working with and Accommodating Students at Home:

- Set up a clear, well lit, quiet space for your child to work
- Please sit with your child
- Read assignment directions to your child and have them repeat the directions back to you
- Repeat directions as requested by your child
- Model the activity (demonstrate)
- Provide manipulatives (cheerios, crayons, blocks) for Math activities
- Break down large tasks into smaller ones
- Consider the amount of time spent on each subject or task (implement time limits)
- Make learning FUN! (include songs, games, television shows, and educational websites)
- Use resources and websites provided as enrichment, enhancement, support of topics
- Discuss topics throughout the day to reinforce the lesson

Suggested Educational Television Stations for Enrichment:

- National Geographics
- Animal Planets
- Discovery Channel
- History Channel
- PBS
- Nick Jr.
