

Schoolology

Learning Management System

September 2020

Dear Parents/Guardians,

East Orange School District is now using Schoolology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoolology enables our students, parents and teachers to engage with learning materials and their school community from the classroom and beyond. We look forward to using Schoolology in our classrooms starting September 2020 to enhance connectivity and communication across our district.

With Schoolology, students can digitally submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, write academic blogs, and more. As a parent, you will be able to view your child's activity within the platform.

You and your child will be given login credentials to access the East Orange School District Schoolology system. We value your participation in your child's education, and we encourage you to read Schoolology's Privacy Policy & Terms of Use at <https://www.schoolology.com/privacy>. Student progress and activity will be monitored by faculty to ensure a safe, secure, and controlled environment.

Sincerely,

Anita Champagne

Ms. Anita Champagne

Assistant Superintendent of Curriculum & Instruction
