

We're back (virtually!)....and better than ever!

Please mark your calendars with the dates for our parent Coffee Connection/SEPAG meetings. Let's discuss the successes and issues that surround parenting children with multiple disabilities. We will share our experiences and hopes with one another by building bridges of support among families. Our format is a short presentation followed by an open format. Please join us in making connections over a cup of coffee, tea, and the exchange of ideas!

**All meetings begin promptly at 7:00 p.m.*
