Superintendent of Paramus Public Schools, Sean Adams, has announced the start of the registration process for the September 2021 kindergarten program. To be eligible for kindergarten, a child must be five years old on or before October 1, 2021.

Please note that children who are currently enrolled in the Early Childhood Center program and are eligible to start kindergarten in September 2021 must be registered using the two-step process described below.

The Board of Education has adopted residency requirements; therefore, school registration includes a two-step process: (1) residency verification and (2) registration.

Residency Verification and registration forms are available online. Please visit the [Genesis Portal](#) to complete the online registration forms electronically. You may also contact the Business Office at Paramus Board of Education at 201-261-7800, extension 3154, or extension 3053.
