

2021/2022 High School Registration Process for Current 8th Graders

Hathaway Instruction Day: March 5th

- High School/Post High School planning will be presented to students.
- Students will watch Hathaway elective video presentation.

Pre-Registration Day: March 12th

- School Counselors will meet with students in small groups for Hathaway Scholarship instruction and to review the Powell High School course catalog information.
- Students will receive a registration worksheet to begin their planning.
- Students will have two weeks to review the catalog and make final decisions.

High School Registration Night: March 23rd 6:30 PM at PHS Auditorium—Masks Required

Limited Attendance (2 people per family)

Eighth grade students will receive the bulk of the registration information during the activities in class on March 5th and 12th. The High School Registration Night is recommended for parents of 8th graders (if you bring your 8th grader, then only one parent can attend). Even if you have attended this meeting with an older child, it is important to attend for your incoming freshmen as he/she is introduced to the high school registration process. A link to a recording of this presentation will be uploaded to the Park County School District web page under the Counseling and Planning tab. At this meeting, counselors will outline the following information:

- Graduation Requirements
- Elective Opportunities
- College and Career Planning
- Hathaway Scholarships
- Registration Materials
- Academic support for freshmen

8th Grade Online Registration: March 26th

- Counselors will call down students in small groups and give instructions on how to register online through the student Infinite Campus account.
- If students don't know their Infinite Campus account information, the counselors will provide them with that information.
- Students are expected to bring their registration worksheets back and should have listed course requests and several alternate choices.
- The student will enter course choices online and then print the course request sheet. The student will give the printed copy of course request sheet to the counselor who will sign and collect the course request sheet.
- Parents will be able to view their student's course choices through the student Infinite Campus account.
