

GLENROCK BOOSTER CLUB

PO Box 1300 Glenrock, WY 82637

WHAT: Glenrock booster club is an organization that was formed to support sponsored activities, sports teams, and clubs within Converse County School District #2. The Glenrock Booster Club is not a social club, rather, their main purpose is to support student programs. The booster club provides support through raising funds to supplement the cost of items that are not covered by the school budget.

WHO: The club is organized and run by the parents of the students in the supported organizations in Glenrock High School, and by athletic supporters and fans.

WHY: Boosters play a role in providing student-athletes with a positive experience through their enthusiastic efforts. They support teams and activities through donations of time and financial resources which help student-athletes succeed on and off the playing field. Funds raised are used to sponsor activities, scholarships, apparel, awards, and supplement for bigger items needed that are not in the school budget.

WHEN: The Glenrock Booster Club meets in an evening, once a month at the High School, usually on the second Monday of each month.

How to get involved: In order to become a member of the booster club, you must pay a membership fee. As a member you can attend Booster Club meetings, be a part of the hospitality committee and help organize for the tournaments held here all year, raise funds by asking companies to partner with the club, who can in turn hang banners on the wall in the gym and on the field. You can be a part of the scholarship committee, and help sale apparel at home events. Most importantly, you can get involved by coming out to support all activities at the school.
