Steve Vore, Assistant Superintendent

*Inspire, challenge, and cultivate excellence in every Argyll.*

June 18,2020

Dear Madison-Grant Families,

We are excited to announce: REGISTRATION IS OPEN **NOW** for the 2020-2021 school year. We are very thankful for your work with your students as we all worked through these times of struggle and uncertainty. We are already looking forward to next year and worked to make all of your student's data very accessible through the PowerSchool parent portal and increase the ease of online registration!

We know many questions are circulating about what school will look like next year, and we want you to know Madison-Grant is prepared. We are offering both a **Traditional Classroom Education**, as well as a **Full Virtual Education** experience. Once registered, we will reach out to our families in JULY to provide more information on these options and allow you to make an informed choice on which option will best meet the needs of your student. Until then, we need our families to register their students so we can provide this information to you as soon as it is available!

We know it is important to our families to be able to plan ahead. At this time, we are planning to follow the previously published calendar found on our website [here](#). As we move forward into the summer, we will continue to keep you updated on any new announcements or information- so please register your students as soon as possible!

How to Register:

I **HAVE** a PowerSchool parent portal: you are ready to register your student for next year! Simply login [here](#) and go to the bottom banner on the left side of your screen. Any issues? Call your school, make sure to leave a message!

I **DO NOT HAVE** a Power School Parent Portal: you will receive a letter in the mail with your student's report card directing you to the proper location to create a new account for registration. With an account in PowerSchool, you can check grades, attendance, and even retrieve your student's report card! Any issues? Call your school, make sure to leave a message!

We cannot wait to see our students, whether you choose traditional or virtual learning, this August! Register now, because we are ready! #WeAreMG

Sincerely,

Dr. Scott A. Deetz

Superintendent
