

MEMORANDUM

TO: Indiana Superintendents and Principals

FROM: Dr. Tony Bennett
Superintendent of Public Instruction

DATE: January 6, 2012

SUBJECT: Free Academic Support for Military Students: Department of Defense Program

I hope this message finds you well as we start the new year. I would like to take this opportunity to make you aware of a valuable program for military families. The program is provided by the Department of Defense and gives all Active Duty, National Guard and Reserve members—and their dependents—free access to professional tutors 24 hours a day, seven days per week.

With access to this program, military students can connect with a professional tutor online anytime for one-to-one help. It's timely, efficient and individualized instruction helps students get their homework done and come to school ready to learn. Tutors are available in all math, science, social studies and English subjects. Share this valuable program with military students you know by directing them to www.tutor.com/military to sign up. If you would like to receive fliers, brochures or videos for your school, contact Tutor.com at militarysupport@tutor.com or go to: <http://www.tutor.com/military/spread-the-word>.

Thank you for considering this program as a resource for military families in your community.
