FOR APPLICANTS:

PURPOSE: To comply with the requirements in 20 USC 7427(a), which provides that: "The Secretary shall require that, as part of an application for a grant under this subpart, each applicant shall maintain a file, with respect to each Indian child for whom the local educational agency provides a free public education, that contains a form that sets forth information establishing the status of the child as an Indian child eligible for assistance under this subpart, and that otherwise meets the requirements of subsection (b)".

MAINTENANCE: A separate ED 506 form is required for each Indian child that was enrolled during the count period. A new ED 506 form does **NOT** have to be completed each year. All documentation must be maintained in a manner that allows the LEA to be able to discern, for any given year, which students were enrolled in the LEA's school(s) and counted during the count period indicated in the application.

FOR PARENTS/GUARDIANS:

DEFINITION: Indian means an individual who is (1) A member of an Indian tribe or band, as membership is defined by the Indian tribe or band, including any tribe or band terminated since 1940, and any tribe or band recognized by the State in which the tribe or band resides; (2) A descendant of a parent or grandparent who meets the requirements described in paragraph (1) of this definition; (3) Considered by the Secretary of the Interior to be an Indian for any purpose; (4) An Eskimo, Aleut, or other Alaska Native; or (5) A member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect on October 19, 1994.

STUDENT INFORMATION: Write the name of the child, date of birth and school name and grade level.

Select only one name: either the child, child's parent or grandparent, for whom you can provide membership information.

Write the name of the tribe or band of Indians to which the child claims membership. The name does not need to be the official name as it appears exactly on the Department of Interior's list of federally-recognized tribes, but the name must be recognizable and be of sufficient detail to permit verification of the eligibility of the tribe. Check only one box indicated whether it is a Federally Recognized, State Recognized, Terminated Tribe or Organized Indian Group. If Terminated Tribe or Organized Indian Group is elected, additional documentation is required and must be attached to this form.

- **Federally Recognized-** an American Indian or Alaska Native tribal entity limited to those indigenous to the U.S. The Department of Interior maintains a list of federally-recognized tribes, which OIE can provide you upon request.

Write the enrollment number establishing the membership of the child, if readily available, or other evidence of membership. If the child is not a member of the tribe and the child's eligibility is through a parent or grandparent, either write the enrollment number of the parent or grandparent, or provide other proof of membership. Some examples of other proof of membership may include: affidavit from tribe, CDIB card or birth certificate. Write the name and address of the organization that maintains updated and accurate membership data for such tribe or band of Indians.

Arizona Department of Education
Arizona Residency Guidelines
REVISED 4/24/2019

INTRODUCTION

Local educational agencies are required to provide all children with equal access to public education at the elementary and secondary level. The U.S. Supreme Court held in *Plyer v. Doe*, 457 U.S. 202 (1982) that the undocumented or non-citizen status of a student (or his or her parent or guardian) is irrelevant to that student's entitlement to an elementary and secondary public education. However, to receive free public education in the State, students must be Arizona residents. Residents refers to those who are domiciled in Arizona and can provide proof of residence (see below). Pursuant to A.R.S. § 15-823, a school district or charter school may not include non-resident pupils in their student count and may not obtain state aid for those pupils.

In Arizona, the "district of residence" of a student is determined by the residency of the parent or guardian with whom the student lives. Accordingly, it is the responsibility of the school districts and charter schools that receive state aid to ensure that their student/parent residency information is accurate and verifiable. **While a district may restrict attendance to district residents based on available classroom space, inquiring into students' citizenship or immigration status, or that of their parents or guardians would not be relevant to establishing residency within the district.**

The Department may audit schools to ensure that only Arizona resident students are reported for state aid. Any school district or charter school that cannot demonstrate the accuracy of any student's residency status through documents provided by the parent/guardian may be required to repay the state aid received for that student. The following provides information on verifiable documentation parents must provide to prove district of residency.

OPEN ENROLLMENT

Arizona's open enrollment policies allow a student to transfer to any public school of his or her choice, even if it is outside of the student's district of residence. There are two basic types of open enrollment policies:

- Intra-district: Students transfer to another school within the resident school district.
- Inter-district: Students transfer to a school outside of their resident district.

Under A.R.S. § 15-816 and A.R.S. § 15-816.01, intra-district and inter-district open enrollment policies are mandatory on all school districts, allowing students to apply for admission to any public school, based on available classroom space.

VERIFIABLE DOCUMENTATION

A.R.S. § 15-802(B) requires school districts and charter schools to obtain and maintain verifiable documentation of Arizona residency upon enrollment in an Arizona public school. This document is designed to assist school districts and charter schools in meeting the legal requirements of the statute.

The documentation required by A.R.S. § 15-802 **must be provided each time a student enrolls in a school district or charter school in this state and reaffirmed during the district or charter's annual registration process via the district or charter's annual registration form. The documentation supporting Arizona residency should be maintained according to the school's records retention schedule.** For members of the armed services, a school may enroll a student if the parent provides a hard-copy or electronic document of their transfer or pending transfer to a military installation within the state. The parent must provide official documentation of residency within ten days after the arrival date which may include a temporary on-base billeting facility as their address. **PROOF OF RESIDENCY IS NOT REQUIRED FOR HOMELESS STUDENTS.** 42 U.S.C. § 11432(g)(3)(C)(i).

In general, students will fall into one of two groups: (1) those whose parent or legal guardian is able to provide documentation bearing his or her name and address; and (2) those whose parent or legal guardian cannot document his or her own residence because of extenuating circumstances including, but not limited to, that the family's household is multi-generational. Different documentation is required for each circumstance.

1. Parent(s) or legal guardian(s) that maintains his or her own residence: The parent or legal guardian must complete and sign a form indicating his or her name, the name of the school district, school site, or charter school in which the student is being enrolled, and provide **one** of the following documents, which bear the parent or legal guardian's full name and residential address or physical description of the property where the student resides (no P.O. Boxes):

- Valid Arizona driver's license, Arizona identification card
- Valid Arizona motor vehicle registration
- Valid Arizona Address Confidentiality Program authorization card
- Property deed
- Mortgage documents
- Property tax bill
- Rental agreement or lease (including Section 8 agreement or off-base military housing)
- Utility bill (water, electric, gas, cable, phone)
- Bank or credit card statement
- W-2 wage statement
- Payroll stub
- Certificate of tribal enrollment (506 Form) or other identification issued by a recognized Indian tribe located in Arizona
- Other documentation from a state, tribal, or federal agency (Social Security Administration, Veterans' Administration, Arizona Department of Economic Security, etc.)
- Temporary on-base billeting facility (for military families)

A model Arizona Residency Documentation Form is available for schools at the end of this document.

2. Parent(s) or legal guardian(s) that does not maintain his or her own residence: The parent or legal guardian must have an **affidavit of shared residency** form completed indicating his or her name, the name of the school district, school site, or charter school in which the student is being enrolled, and submit a signed, notarized affidavit for the person who maintains the residence where the student lives attesting to the fact that the student resides at that address, along with a document from the bulleted list bearing the name and address of the person who maintains the residence. A model Affidavit of Shared Residence form is available for schools at the end of this document.

USE OF AND RETENTION OF DOCUMENTS BY SCHOOLS

School officials must **retain a copy** of the attestations or affidavits and copies of any supporting documentation presented for each student (photocopies acceptable) that school officials believe establish validity. Documents presented may be different in each circumstance, and unique to the living situation of the student. Documents retained by the school district or charter school may be used as an indication of residency; however, documentation is subject to audit by the Department. Personally identifiable information other than name and address (SSN, account numbers, etc.) should be redacted from the documentation either by the parent/guardian or the school official prior to filing. **INFORMATION PROVIDED BY PARENTS AND GUARDIANS TO ARIZONA PUBLIC SCHOOLS IS CONFIDENTIAL AND ONLY USED FOR EDUCATIONAL PURPOSES.**
