

STUDENTS:

HATS & HOODIES

Headwear (caps, beanies, hoods, etc.) is acceptable inside school buildings and classrooms with the exception of hoods in classrooms. Hoods are prohibited in the classroom because of their potential use in concealing ipods and mp3's.

ELECTRONIC DEVICES

Cell phones, ipods, mp3 players, and electronic games are not to be used during class time. Electronic devices may be used before school, at lunch, during passing periods between classes, and after school. Electronic devices may not be used in the classroom at any time. Electronic devices used or seen during classtime (this includes assemblies), in or out of the classroom, will be confiscated. Class time is defined as beginning with the bell that signifies the start of the class period and ending with the bell that signifies the end of a class period.

Students are strongly advised not to bring electronic devices to school. As with all valuables, the school assumes no responsibility for lost or stolen electronic devices.

Confiscated items will be returned to the student or parent after being held for a length of time to be determined by the teacher and/or administrator.
