Responsibilities of the Board of Education

Members of the Board, individually and collectively, recognize and welcome their responsibilities for listening to comments and suggestions from the residents of the School District.

Board members individually will refer compliments, suggestions, and constructive criticism about operational matters directly to the Superintendent of Schools for appropriate consideration and action. Comments affecting policy will be routed through regular channels to the board meeting agenda for consideration by the Board as a whole.

Unless so authorized by the Board, no Board member individually will speak for, or in the name of, the entire Board. When dealing with the media, all communications will come from the Board President or other authorized board member.
