

Community RelationsFund Raising Activities

All fund raising activities by school-sponsored groups must have the approval of the building principal and must be reported to the superintendent. Building principals reserve the right to deny fund raising activities based on need, appropriateness, or scheduling. Building principals may require deadlines for scheduling fundraising activities when necessary. All fund raising activities at school sponsored events by outside groups must have the approval of the building principal and superintendent. Building principals reserve the right to deny fund raising activities by outside groups for any reason.
