

Community RelationsParent Organizations

The Board of Education encourages the establishment of parent organizations in the school. Such organizations are vital factors in establishing and maintaining positive home-community-school relationships and their value is recognized by the Board. Parent organizations should coordinate their efforts through the school's administrative offices prior to planning events or activities.

The Board of Education supports the concept of using parents and others as volunteers in the school, not to replace professional staff, but to enrich the educational opportunities for the students. Volunteers may be subject to screening for appropriate qualifications and background to perform assigned tasks.
