

StudentsStudent Activities; Hazing, Fund-Raising and SupervisionInitiation & Hazing Activities

Initiations/hazing will not be permitted in Springfield Platteview Community Schools.

Fund-raising

All teachers shall earnestly seek to educate students in the services performed by the humanitarian agencies, and shall encourage students to participate in their financial support as a social and community project, but no fund-raising drives are to be conducted by non-school agencies or for non-school activities among the student population.

Students may engage in raising funds, under the control of school officials, for certain approved student activities, provided the project has the approval of the principal of the school involved.

Students or student groups desiring to raise money through fund drives in one form or another will present their written requests to the elementary and/or secondary principals for their approval. The approval will be based on the following criteria:

- A. Where the funds will be used. Preference will be given to those activities in which usage of tax money would be doubtful or illegal, such as trips and awards of a personal nature. Any drive which seeks or tends to circumvent a Board decision will be rejected. A definite goal for the expenditure of the funds received must be established.
- B. Quality of the product or suitability of the product sold. Items which are overpriced or of an embarrassing or controversial nature to the school will be rejected. Will try to avoid products which are in definite competition to local business people.
- C. The number of fund drives per organization are limited to three (3) per year.
- D. The Board will not be responsible for any losses incurred. Principals will need to approve locations and subject matter of all posters posted in the drive.

Adult Sponsors

Adult sponsors must be in attendance at all school sponsored activities.

Adult Drivers

Adult drivers will be required unless a written clearance has been made by the parent of the driver and all passengers.

Date of Adoption: December 12, 2011
