

# **Greg Alan Adair Memorial Scholarship**

Greg Adair was a member of South Sarpy School District 46 from kindergarten through twelfth grade. He participated in many school activities, but his proudest moment was winning the 1983 football championship game alongside all of his teammates and friends.

Greg went on to attend the University of Nebraska-Lincoln and obtained a degree in Animal Science and Feedlot Management. He worked at several different feedlots across the state and enjoyed his work in the cattle industry, but enjoyed time with his family the most. Greg married his wife, Kristi, in 1989 and they had three children: Bailey, Macey and Kelton. Greg died July 24, 2001. He is loved and missed by his family, friends and teammates. The Greg Alan Adair Memorial Scholarship was founded in 2010 by Greg's parents, Glenn and Virginia Adair.
