2021-2022 Staffing Update

Retirement:

With excitement and a little sadness (of her colleagues), after 35 years of teaching Mrs. Sue Beatty will be retiring at the end of the 2020-2021 school year. She has spent her entire career changing the lives of 2nd grade students in the Springfield Platteview Community Schools system. Mrs. Beatty taught at both Laplatte Elementary and Springfield Elementary. Over her many years of service she has made a huge impact on the lives of students.

After 30 years of service to the students and staff of Springfield Elementary, Mrs. Michele Tatroe will be retiring June 30, 2021. Over her many years of service Mrs. Tatroe worked with students and families to make sure people feel welcome and students felt loved when they attended Springfield Elementary. Mrs. Tatroe will be greatly missed and always be part of the Springfield Elementary family. The school will be very different without these two amazing people.

New Adventures:

Mrs. Anna Carreon will be taking on a new role as a member of the Golden Hill Elementary (PLCS) staff next year. Mrs. Carreon will be greatly missed.

Mrs. Tara Devereaux will be moving to Arizona, where her husband will be stationed. We are excited for their families adventure but will miss having Mrs. Devereaux serving the students at Springfield Elementary.

New Staff & Movement To New Positions:

We are excited to announce that we will be adding a third section of Kindergarten to accommodate our continued growth. For next year, there will be three sessions of Kindergarten and three sections of Second Grade. As of right now all other grade levels will have two sections.

Our 2nd grade team for the 2021-2022 school year will be Mrs. Manon Strayer who is currently teaching 2nd grade, Mrs. Lori Barry will be moving from first grade to second grade, and Mrs. Michelle Wagner who is rejoining our team after living in Missouri for the past four year and recently moved back to the area. We are excited to have this fantastic group of educators working together as our 2nd Grade team.

Our Kindergarten Team is adding a new member to their team. Mrs. Kristi Telecky who is currently teaching Kindergarten in PLCS, will be joining our team. We are excited to have three amazing teachers to start our students careers.

We will be welcoming Ms. Emily Vlock to our Special Education Team. We are excited to have her as part of our team. Mrs. Carol who is currently our Title I math interventionist will be changing position and will now be serving our students as part of our Special Education Team.
