Make-Ups

Masks

We are so glad that we have been able to be in person for this school year. It is hard to believe that we only have 18 school days left till the end of the year. We are working hard to finish the year out strong. Please work to make sure that your child comes to school with at least one mask, if possible send a second in their bag as the temperatures warm up kids seem to need to change out their mask more often. Thank you for your help in this matter.

The Mission of Springfield Platteview Community Schools is to ensure that all students acquire the 21st century skills and behaviors necessary for each student to succeed now and into his/her future.
