From the Art Room

Our school is a member of Artsonia, (www.artsonia.com), the largest online student art museum. Artsonia showcases artwork from thousands of schools around the world. Artsonia's goals are to develop students' pride and self-esteem, increase their multicultural understanding through art, and involve parents and relatives in student accomplishments.

An email will be sent to Kindergarten students, students new to the district, or students not signed up in the past. The email is asking permission to publish your child's artwork online. The permission will cover the tenure in our school district, K-12.

Students will be listed online by first name and an assigned number, for example: William642. Family and friends can become fans of student artwork and leave comments. These comments are emailed to parents for pre-approval before they are posted on the website. These artworks can be printed onto keepsakes, and 20% of the revenue is commissioned back to the school.

If you have any questions, please feel free to contact Mrs. Johnson.

You can also check out our student work on www.artsonia.com

Go check out what these students can create!! They LOVE seeing comments from family and friends.

Happy creating...

Mrs. Johnson

Bus Requirements and Regulations

We've had several questions in regards to riding the bus. In order to ride the bus, you must have a bus request on file with the bus company. Several protocols have been put in place such as: anyone riding the bus must wear a mask. Students are assigned a seat and hand sanitizer is on each bus. Due to these stipulations we can not let friends ride with friends if they are not assigned to that bus.
