Valley R-6 Elementary School Student/Parent Handbook

A Message to Parents

Each year there are changes made to the student/parent handbook that you and your child will need to be aware of. Please take the time to read through this handbook we have developed for you and your child. Help your child to understand that rules and policies are necessary in order to achieve a quality education.

We have updated the Parent Response Page and moved it to the end of the Handbook. It will consist of one page which will include a place for you to sign off on all Handbooks and other items necessary. You and your child will need to sign and return to the school at the beginning of the year, preferably by the first day of school.

We appreciate your cooperation!

Students, parents and guardians of Valley R-VI Elementary:

I would like to take this opportunity to welcome you to the 2023-2024 school year. The staff and I are excited to have you as part of the Valley R-VI Elementary family. Our staff is made up of professional individuals who are dedicated to providing your student with an outstanding educational experience while they are under our care.

This year we are no longer going to be affiliated with The Leader in Me. This was a difficult decision but due to the amount of financial stress and the cost of the Leader in Me membership we felt it was in the best interest to continue this journey of building character education on our own. We will continue to promote and use the 7 habits language and lessons we have learned while being a Leader in Me school. We will also continue to have our Lead Days and leadership roles within the classroom and district. Like I said, this is a difficult decision however we feel that our staff and students can continue to build on what we have in place here at Valley Elementary and look forward to creating our own positive culture program.

I would like to suggest that all parents and guardians take time to read the handbook with their students. This will promote a greater understanding of the material within. It is our hope that this handbook will provide a tool that will assist in your acclimation with our school. You will find information that will help you to understand the policies and procedures of our building and district. Feel free to contact me or your teacher if you have any questions or if you require additional information.

In closing, I once again welcome you and encourage you to make the most of the upcoming school year.

Sincerely,
Mr. Caleb Tiefenauer
Elementary Principal

VALLEY R-6 SCHOOL DISTRICT EDUCATIONAL PHILOSOPHY

Statement of Purpose

The Valley R-VI School District affirms that the perpetuation of democracy is dependent upon an educated citizenry, the public school is a significant contributor to opportunity among our people, and that education is the greatest constructive force at the disposal of democratic people for the solution of their problems. The Valley R-VI School District affirms that the purpose of education is the development of each individual for the fullest participation in the American democratic society and the recognition of social, civil, economic and vocational competencies as factors beyond academic literacy.

Moral, ethical, and spiritual values have been from the first an indispensable and significant part of the program of the American public schools. The Valley R-VI School District shall continue to employ every means possible to instill high moral principles in our children and youth and join with the home, churches, and all other constructive community agencies for this purpose.

VALLEY R-6 SCHOOL DISTRICT EDUCATIONAL OBJECTIVES

It is the obligation of the Valley R-VI School District to provide the best possible educational opportunities for its children within the limits of financial ability. These educational opportunities should be broad enough whereby each person in school may:

1. Be provided a comprehensive educational program that serves the needs of him/her, embraces current knowledge, and fosters innovations to accompany social change.
2. Help him/her develop a realistic concept of his/her potential.
3. Maintain an instructional program which will provide him/her with the basic skills essential to the maximum development of his/her potential.
4. Cultivate in him/her an enthusiasm for study and achievement and an awareness of the enjoyment that results from learning.
5. Encourage intellectual curiosity and a desire for self-improvement.
6. Stimulate critical thinking and help develop the ability to make informed decisions.
7. Provide opportunities for the development of self-direction compatible with his/her interests, needs, aptitudes, and abilities.
8. Help him/her develop a sense of purpose, a sense of personal responsibility, and a desire to be of service to society.
9. Relate the learning processes to everyday living.
10. Improve the relationship of man to his fellow man by instilling a respect for the dignity and worth of each individual.
11. Promote the understanding of different ethnic and minority cultures in a social order that embraces the world.

VALLEY R-6 SCHOOL DISTRICT NON-DISCRIMINATION NOTIFICATION

The Board of Education believes in the right of every student to receive equal opportunities in all educational programs and activities conducted by the district. In addition, every qualified individual has the right to expect fair and equal treatment both as applicants for employment and as employees.

It is the policy of the Board to accord equal consideration and impartial treatment regardless of race, color, national origin, ancestry, religion, socio-economic status, sex, age, handicapping conditions, or organizational memberships. This policy will prevail in all matters concerning the staff, the students, the public, the educational programs and services of the district, and individuals with whom the Board does business.

In keeping with the requirements of federal and state law, this school district strives to remove any vestige of discrimination in employment, assignment, and promotion of personnel; in educational programs, offerings, services, and vocational opportunities offered to students; in the assignment of students to schools and classes; in student discipline; and in the location and use of facilities and educational materials. The Board will designate an individual to act as the district's nondiscrimination compliance coordinator and ensure that the coordinator's name, business address, and telephone number, as well as the statements of nondiscrimination by the district, are published for/distributed to patrons, employees, and students on an annual basis.

The Board shall continue all necessary actions to ensure that discrimination does not occur in the educational

program, employment practices, or activities in the school district.

This right includes the right to a hearing to present evidence that the record should be changed if this institution decides not to alter the education records according to your request.

RIGHT TO COMPLAIN TO FERPA OFFICE: You have the right to file a complaint with the Family Policy Compliance Office, U.S. Department of Education, Washington, D.C., 20202-4605, concerning the Valley R-VI School District's failure to comply with FERPA.

4. If dissatisfied with the District's determination, complainant may appeal to DESE within fifteen (15) days of receipt of the District's determination.

VALLEY R-6 SCHOOL DISTRICT PARENT RESPONSIBILITIES

Education is a joint project of the home, school, and community. Parents must remember that they have an ultimate and legal responsibility for their children's behavior. This responsibility can be summarized in the following:

1. Insist on your child's prompt and regular attendance in school.
2. Encourage and help your child to give proper attention to health, personal cleanliness, and neatness/appropriateness of dress.
3. Provide a place for study and homework. Discourage the interruptions of friends, phone, TV, and be available for help.
4. Encourage your child to take part in extracurricular-class activities that make school experience memorable.
5. Insist that your child bring home promptly and share any communications from school. Read and discuss them with your child as indicated. Your child's Daily Folder/Leadership Notebook should be sent back to school every day as they are used daily in the classroom.
6. Support teachers, principals, schools, and the education they're trying to provide. Please be supportive of school rules when your child is listening. If you think changes are needed, take your suggestions to school authorities as appropriate.
7. Attend the informal and voluntary conferences set up by a teacher or principal dealing with your child's progress and with activities which will affect the students.
8. Take part in parent-teacher organizations; respond to called meetings of the board of education; make your presence and your influence felt in the school life of your child.
9. Should your child become involved in an infraction of the rules, help him/her to face the problem and resolve it in an orderly manner.

10. FOR THE SAFETY OF OUR STUDENTS, PARENTS/GUARDIANS WHO PLAN TO ATTEND A FIELD TRIP/CLASS PARTY/PLAY DAY MUST PASS A CHILD ABUSE/NEGLECT AND CRIMINAL BACKGROUND CHECK. THIS INFORMATION MUST BE ON FILE IN THE OFFICE. NO PARENT/GUARDIAN WILL BE ALLOWED TO ATTEND A FIELD TRIP/CLASS PARTY/PLAY DAY WITHOUT PASSING A BACKGROUND CHECK. The forms may be obtained in the office.

11. When visiting the school for any occasion and/or attending field trips/class parties/play day, follow the school rules and be an exemplary model for the students.

KINDERGARTEN

Welcome to Kindergarten!

On behalf of the faculty and staff we would like to welcome you and your child to Valley R-6 Elementary School! Starting school is a big step in the life of a child. Sometimes this educational journey can be a big adjustment for both parents and child. By being partners in education, we can make school a positive experience for each child and start them out on the right foot on their learning adventure.

The faculty, staff, and administration are committed to making your school the best it can be for our children. We ask that you take an active role in your child's school life by becoming involved in whatever way you can.

The future leaders of our community are in our classroom today. We want to do all we can to prepare them for the future!

**Valley R-6 Elementary
Faculty and Staff**

ENTRANCE AGE FOR KINDERGARTEN

In accordance with the entrance age policy of this school district, a child cannot be admitted to kindergarten unless the child meets the state entrance age requirement. The current age requirement is the child must be 5 years old on or before July 31.

A birth certificate or other evidence of birth date must be brought at the time of registration, or prior to the first day of school.

Students who are entering Kindergarten are encouraged to pre-register in the spring prior to the fall semester in which they are to begin attendance.

KINDERGARTEN SUGGESTIONS FOR PARENTS

When you wish to convey a message to the teacher, please do so in writing. This will do much to insure it's received in original form. It is only natural for five year olds to frequently become confused.

It is helpful if children know their address, name, and phone number before the start of school.

When your child enters school, your child should be able to tie their own shoes and capable of managing their clothing alone. Please buy shoes large enough for the child to put them on without help.

Do not allow your child to bring toys to school unless you receive some form of written permission from the teacher.

If at any time, you have questions concerning Kindergarten, or your child, do not hesitate to talk to your child's teacher.

The EPAT (Elementary Parents and Teachers) Organization invites and needs your cooperation. They will appreciate your attendance at scheduled meetings.

A child must be 6 years old before August 1st in order to be admitted to 1st grade.

A birth certificate must be furnished before entrance into kindergarten or first grade.

Students who are entering kindergarten or first grade are encouraged to pre-register in the spring prior to the fall semester in which they are to begin attendance.

ADMISSION OF RESIDENT STUDENTS

Resident students of the Valley R-VI School District five to twenty-one (5-21) years of age, who have not graduated from high school or received any document evidencing completion of the equivalent of a secondary curriculum (G.E.D.), and are not barred from enrollment by provisions of the Safe Schools Act may attend District schools tuition free. Resident students must provide proof of residency in the District at the time of enrollment. To be a resident of the District, a student must both physically reside and be domiciled within District boundaries. The domicile of a minor child is the domicile of a parent, military guardian pursuant to a military issued guardianship, or court-appointed legal guardian. Where due to military stationing or deployment out-of-state of one or both of a child's parent(s), the child, a resident of Missouri, relocates to live with other family members that live in the District or lives in a military support community located in the District, the child may attend District schools. If the parents' active duty orders expire during the school year, the student will be permitted to finish the current school year at the District.

In addition, the District will provide tuition-free special education services to resident students who qualify for special education services between the ages of 3 and 21 as required by law.

STUDENTS ENTITLED TO ENROLL WITHOUT PROOF OF RESIDENCY

The residency provisions of this policy are not applicable to homeless students, inter-District court-ordered desegregation students, wards of the state placed in residential care facilities, students placed in a residential care facility due to a mental illness or developmental disability, students placed in a residential facility by a juvenile court, students with a disability identified under state eligibility criteria if the student is in the district for reasons other than accessing the district's educational program, students attending regional or cooperative alternative education programs, students attending an alternative education program on a contractual basis, or students attending a school pursuant to R.S.Mo. 167.151 (2) or (4). The exemptions to the residency requirement are expressly established by state law and entitle such students to tuition-free school attendance. Additionally, a student may be partially exempt from the payment of tuition as set forth in Policy and Regulation 2240 and state law. For purposes of IDEA special education evaluation and provision of special education services a student attending a private school located within the District will be evaluated as a resident student.

REQUESTS FOR WAIVER OF PROOF OF RESIDENCY REQUIREMENTS

Those students who are unable to satisfy the proof of residency requirements and who are not entitled to enroll as provided in the previous section of this Policy and state law may request a waiver of the proof of residency

requirements. Upon filing a Request for Waiver of Proof of Residency (Form 2230.1) and satisfaction of all other enrollment requirements, the student will be conditionally enrolled and allowed to attend school pending a Board of Education hearing on the student's request unless there is reason to suspect that the admission of the pupil will create an immediate danger to the safety of other students or employees of the District. If there is reason to suspect that the student poses an immediate danger, the Superintendent/Designee may convene a hearing within five working days of the request to register and determine whether or not the pupil may register.

ADMISSION OF NON-RESIDENT STUDENTS

A non-resident student shall be defined as a student who does not meet the requirements to be a resident student of the Valley R-VI School District as defined in Board policies, rules, and regulations. Non-resident students may be permitted to attend Valley R-VI upon payment of tuition as established by the Board. Tuition rates shall be determined annually on the basis of per-pupil cost for the preceding year and for the operations, maintenance, and debt service of the school, as prescribed by state law. The following provisions indicate those non-resident students exempt from complete or partial tuition charges:

1. Teachers of the Valley R-VI School District whose residence is outside the district.
2. Orphaned children, as defined by the courts, who have a permanent or temporary home within the school district.
3. Children with only one parent living and who has a permanent or temporary home within the school district.
4. Children whose parents do not contribute anything to their support and who are unable to pay tuition and have a permanent or temporary home within the school district.
5. An American Field Service student or any similar exchange student.

Children whose parents or guardians pay school taxes on property in the school district but do not live in the district may attend school in the district on a tuition/tax credit basis. School taxes paid to the school district by the parents or guardians of non-resident students shall be deducted from the tuition charge applicable to the school term or fractional part thereof, concurrent with the calendar year in which the taxes are paid. The tax credit will be prorated among the number of students per family attending the district's schools. A tax statement must be submitted to the appropriate administrator before a student can be admitted.

Any person who owns real estate of which eighty acres or more are used for agricultural purposes, and upon which his residence is situated, may send his children to any school in which a part of such real estate, contiguous to that upon which his residence is situated, lies. This person shall not be charged tuition so long as thirty-five percent of the real estate is located in the school district of choice. The school district of choice shall count the children as eligible pupils for the purpose of distribution of state aid through the foundation formula. Any owner of agricultural land shall send written notice to all school districts involved, specifying to which school district his children will attend, by June 30th in which such a school year begins. If notification is not received, such children shall attend the school in which the majority of his property lies. Such person shall not send any of his children to the public schools of any district other than the one to which he has sent notice pursuant to the subsection in that school year or in which the majority of his property lays without paying tuition to such school district.

GRADE REPORTS AND PROGRESS REPORTS

Report cards are distributed at the end of each quarter—usually a nine-week period.

Progress reports for all students are distributed by the teachers every three weeks.

GRADING SCALE

The issuance of grades on a regular basis serves to promote a process of continuous evaluation of student performance.

Students in Grades K-2 will be receiving grades using the following guidelines:

- S Secure: The student shows independence with concepts and consistently applies knowledge.
- D Developing: The student shows some evidence of this skill, strategy, or behavior and gradually increases proficiency and use.
- N Not Yet: The student's work does not show evidence of this skill, strategy, or behavior at this time.
- NA Not Assessed: This outcome was not introduced or assessed during this marking period.

Students in Grades 3-6 will be graded on a traditional A-F grading scale. The designated percentages for obtaining the letter grade follow:

A	96-100
A-	90-95
B+	86-89
B	83-85
B-	80-82
C+	76-79
C	73-75
C-	70-72
D+	66-69
D	63-65
D-	60-62
F	0-59

All students in Grades K-6 will be given a mark in the area of conduct using the following guidelines:

- + Satisfactory
- Unsatisfactory

Grades will be reported to parents/guardians and students on a nine-week basis. Grade reports will be sent home every three weeks. Semester grades will be entered in permanent office records.

ADJUSTED GRADING SCALE

A student whose education is guided by an I.E.P. and who is mainstreamed into the regular classroom will be graded by an adjusted grading scale if the following criteria are met:

1. The student's I.E.P./504 states his/her grade will be determined by the adjusted grading scale.
2. The student will do the work of which he/she is capable, as determined by his/her I.E.P./504 team.
3. The student will complete homework assignments and tests that are given to all other students in the regular classroom. Some modifications may be written into the I.E.P.
4. The I.E.P. team members (the student, a parent, teacher(s), special education teacher, special education coordinator) must agree that use of the adjusted grading scale is justified.

HONOR ROLL (Grades 3-6)

The purpose of the Valley R-VI Honor Roll is to recognize those students in Grades 3-6 with high academic achievement. The student will be honored by recognition on the "Superintendents-A" Honor Roll of "Principals-B" Honor Roll.

To attain the "Superintendents-A" Honor Roll, the students will have to earn all A's on their report card.

To attain the "Principals-B" Honor Roll, the students will have to earn all A's and B's on their report card.

Grade point average does not determine student honor roll status. Honor roll is based on quarter grades.

STUDENT-LED CONFERENCES

A day is set aside in the fall for student-led conferences when school is not in session. All parents and students are urged to attend. Teachers or parents may request a conference any time problems arise. Parents who wish to visit with a teacher and/or principal are requested to call the office and arrange a time convenient to both them and the teacher. Simply showing up at school unannounced may mean having to wait for the teacher and/or principal to have a free period. VISITORS MUST ALWAYS CHECK IN AT THE OFFICE.

STUDENT RECORDS

The Valley R-VI School District adheres to the provisions of P.L. 90-247 (Privacy Rights of Parents and Students) in maintaining records. For the purposes of this policy, the Valley R-VI School District uses the following terms:

1. Student: Any person who attends or has attended a school in the Valley R-VI School District.
2. Eligible Student: A student or former student who has reached the age of eighteen or is attending a post-secondary school.
3. Parent: Either natural parent or guardian of a student or an individual acting as a parent or guardian in the absence of the student's parent or guardian.
4. Education Records: Any record maintained by the Valley R-VI School District or an agent of the district which is directly related to a student, except:
 - a. A personal record kept by a school staff member, if it is kept in the sole possession of the maker of the record and is not accessible or revealed to any other person except a temporary substitute for the maker of the record.
 - b. An employment record that is used only in relation to a student's employment by the Valley R-VI School District.
 - c. Alumni records which contain information about a student after he/she is no longer in attendance in the district and which do not relate to the person as a student.
5. Annual notifications: Parents will be notified of the FERPA rights annually by publication in the Student/Parent Handbook.

Parents of students or eligible students may inspect and review the student's education record upon request. Requests should be submitted in writing to the building principal and clearly identify the records to be inspected. Upon receipt of the request, access will be given as promptly as possible within forty-five days of the request. Parents or eligible students may not inspect and review portions of their files that contain information pertaining to other students.

The Valley R-VI School District will not provide a parent of eligible students a copy of the student's education record unless failure to do so would effectively prevent the parent or eligible student the right to inspect and review the records. If the record involves standardized test information, the district will not provide a copy. Fees for copies of records are fifteen cents per page.

You have the right to prevent disclosure of education records to third parties with certain limited exceptions. It is the intent of this institution to limit the disclosure of information contained in your education records to those instances when prior written consent has been given to the disclosure, as an item of directory information of which you have not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate education interests. A school official is a person employed by the school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the school district has contracted to perform a special task (such as an attorney, auditor, consultant, or therapist); or a parent, student or volunteer serving on an official committee, such as a disciplinary or grievance committee. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if this institution decides not to alter the education records according to your request. For more information, interested parties should contact the Superintendent for a copy of the Board policies, rules, and regulations pertaining to this subject.

STUDENT RETENTION

In any instance where a student is having considerable difficulty in class work and it appears retention may be in order, the RtI (Response to Intervention) team will make a careful review of the social, emotional, physical, mental and academic development of the child. If, in the opinion of the RtI Team, the student may benefit from the repetition of the grade, a conference will be held with the parents and an effort made to secure their support and backing. In all cases of retention, the school will make the final decision based upon classroom performance, attendance, and objective tests and other pertinent data.

TRANSFERRING OR WITHDRAWING FROM SCHOOL

If a student is to be withdrawn from school during the school year, the parents should contact the principal's office by note, phone call, or in person a few days in advance.

Building principals/Designee will respond within five (5) business days to requests by other schools for the records of students transferring from District schools. Records transferred pursuant to such requests will include the written notification of criminal charges/adjudications by law enforcement officials for criminal acts listed in Regulation 2673.

Part II: Student/Parent Resource Information

ARRIVAL AT SCHOOL/SCHOOL HOURS

The instructional day is from 7:55 A.M. until 3:12 P.M. The Morning Message begins at 7:55 a.m. Students should not arrive at school until 7:25 A.M. unless accompanied by a staff member. **SCHOOL WILL BEGIN AT 7:55 A.M. STUDENTS SHOULD BE IN THEIR CLASSROOMS BY 8 A.M. READY TO START CLASS. Any child who arrives in class after 7:55 A.M. will be counted tardy. When arriving late to school, the student must be escorted into school and signed in by a parent/adult.** We encourage parents to make every effort to have their child(ren) at school on time. Students should be dropped off no later than 7:50 A.M. to ensure they have plenty of time to get to class. For the safety of the students, please have your child/ren exit the vehicle on the passenger side when dropping off at school in the morning.

Students who will need to eat the school-provided breakfast should arrive at school no later than 7:40 A.M. as breakfast is dismissed at 7:50 A.M.

AFTER SCHOOL DISMISSAL

Students whose parents are picking them up will be dismissed through the back doors (bridge entrance). Parents should not get out of their vehicles for any reason when picking up their child/ren in the pick-up line. This is for the safety of everyone. Students riding the buses will be dismissed through the main entrance.

Students must walk to and from the buses and in the halls for the safety of everyone involved.

DISMISSAL-3:12 P.M./EARLY DISMISSAL-12:30 P.M.

Students are dismissed through the front doors. When parents come to pick up their child/ren in the pickup line, they should wait in their cars. Any student who is to be excused from school during the school day must be picked up at the school by the parent or other authorized person. Students need to be "signed-out" in the office by parents if they are picked up early. Going to the room to ask for a child causes disruption in the normal dismissal procedure for the teacher. **ALL VISITORS, INCLUDING PARENTS, MUST GO TO THE OFFICE FIRST.** Parents must send a note informing the teacher when to expect the student to be picked up and who will be picking up the student if not the parent or guardian.

Students are not permitted to leave the school grounds, before, during, or after school unless excused to do so by the school personnel.

ATTENDANCE POLICY PHILOSOPHY

The Valley R-VI School District cannot stress too greatly the importance of your child being in school every day and being on time if he/she is to achieve the greatest success in his/her work. Regular attendance is expected of all students. It is impossible to completely makeup everything that is missed. A typical school day is filled with learning that is not limited to books, such as group projects, discussions, etc. Paperwork can be made up, but the valuable learning opportunities cannot. However, when children are truly sick, they should stay home from school. If your child will be absent or tardy, please call the school between 7:45-8:30 A.M.

Therefore, the Valley R-VI School District Attendance Policy is established to encourage maximum student participation while allowing for the realities of everyday life. Regular attendance is an integral part of success in school. In view of that, the following guidelines will be followed during the coming school year:

1. Students who are suspended from attending school AND students who are absent for more than half of the school day for reasons other than school business on the day of a sports activity, music program, or other school sponsored program may not participate in, or attend that activity during the day or evening unless prior arrangements have been made with the principal.
2. Accumulated tardies are counted as hours against attendance.
3. When a child accumulates 8 days or equivalent of unexcused absences in a semester, the parent will be notified by letter and again be provided the opportunity to note which absences should be excused. If parents do not respond to this opportunity or fail to provide adequate reasons for the absences, the Washington County Juvenile Office will be notified of the absence record.
4. When a child accumulates 12 days or equivalent of unexcused absences in a semester, the parent will be required to meet via phone call or meeting with the principal and/or RtI Team. If parents do not respond to this opportunity or fail to provide adequate reasons for the absences, the Washington County Juvenile Office will be notified of the absence record.

5. If your child was under the care of a doctor, please send the doctor's statement when your child returns to school. A doctor's excuse must be received within 5 days to be excused. Excuses will be kept on file in the office.
6. Students must make up all work missed during absences whether excused or unexcused.
7. A student will have one (1) day for each day missed to complete missed assignments. Grades for assignments not completed during that period will be recorded as zero (0) in the grade book. Extenuating circumstances may be considered in applying this policy at the discretion of the teacher or principal.
8. If the school sends a student home sick, that day will be excused. If sent home with a fever, they need to be fever free for 24 hours with no help from medication, before they can return to school.
9. Absences due to an illness which affects the general population, like chicken pox, will be excused.
10. The school understands that children do not need to see a doctor every time they are ill. For our record keeping purposes, however, absences other than those that have a doctor's note, medication receipt, a funeral, or absence considered excused, at the discretion of the administration, will be considered to be unexcused.
11. After 15 days of unexcused absences, Department of Youth Services and the Washington County Juvenile Office will be contacted for educational neglect.

CHRONIC ABSENCES

A 2018 Federal memo defined chronic absence as a student missing 10% of days in a semester. These absences will be documented and will be calculated with the Department of Elementary and Secondary Education. (DESE)

TARDIES

It is important that all students are in their classes and prepared for the day's activities by 7:55 A.M. Monday through Friday. Reporting to class late can disrupt the progress of the morning lesson. To help the school maintain a smooth routine for learning, please make every attempt to have your child at school on time. **STUDENTS WHO ARE NOT IN CLASS BY 7:55 A.M. ARE TARDY. THIS MEANS YOUR CHILD SHOULD BE IN THEIR CLASSROOM BEFORE THAT TIME—NOT JUST ENTERING THE BUILDING.** The school days are scheduled and when a child is late, something is missed.

After the third tardy in any quarter, a letter will be sent home informing the parents of these tardies.

Any student who arrives late to school, no matter the reason, must be escorted into school and signed in by a parent/adult before going to class.

Each absence/tardy is recorded. Ultimately, retention may be considered if the student, due to poor attendance, is unable to meet academic expectations.

PERFECT/EXCELLENT ATTENDANCE

Students having perfect attendance in any quarter will receive a special reward. Students with perfect attendance for the year, no absences, no sign-ins, or sign-outs, will receive a special reward as well at an awards assembly at the end of the school year. There will be two attendance drawings: one for students with perfect attendance and one for students with excellent attendance. Students with perfect attendance will be entered for a drawing to win a prize. Students with excellent attendance (missing no more than three days or equivalent during the school year) will have their names entered for a drawing to win a prize. Absences for funerals of immediate family will not count against perfect attendance provided absence is required and not excessive. Students eligible for Perfect Attendance and the drawings must have attended Valley R-6 Elementary for the entire year.

BUS TRANSPORTATION/BUS CHANGES/OTHER TRANSPORTATION

The school operates a busing system to transport students to and from school. All buses to school-sponsored activities are under the direction of a faculty member. Students will ride the bus to and from all activities unless released to leave with a parent, provided the parent has obtained approval of a sponsor/principal. The bus driver has the authority to enact and enforce any rules to insure the protection of all students riding the bus. Such rules may include but are not limited to:

1. The driver is in charge of the students and bus. Students must obey the driver promptly and respectfully.
2. Students must be on time. The bus driver follows a schedule and cannot be expected to wait for tardy students.
3. Students must wait until the bus comes to a complete stop and all traffic has stopped in both directions before crossing a road to board the bus. When crossing a road, students are to walk at least ten feet from the front of the bus to insure visibility of all boarding and departing students by the driver.
4. Students are not to get off the bus except at their final destination.
5. Unnecessary conversation with the driver is prohibited.
6. Classroom conduct is to be observed by students while riding the bus.
7. Students must not extend arms, head, or legs out of the bus windows or throw objects out of the windows.
8. Any damage to the bus must be immediately reported to the driver.
9. When leaving the bus, students must observe the directions of the driver.
10. The driver has the right to assign seats.
11. Students should board the bus in a single-file line. Pushing and shoving will not be allowed.
12. Students may not bring articles on the bus that are of an injurious or objectionable nature.
13. Food and drinks are not to be brought on the bus without permission of the driver.

Valley-R-VI Elementary may not accept phone calls for bus changes or pick-ups. We must receive written notification stating student's first and last name and parent/guardian signature for all transportation changes. Please include the date and classroom teacher's name on all notes. **ALL TRANSPORTATION CHANGES NEED TO BE MADE BEFORE 2:30 P.M.**

When a student plans to visit his/her classmate after school, **BOTH STUDENTS MUST BRING A NOTE FROM HOME GIVING PERMISSION TO VISIT.** This prevents confusion and misunderstandings at school and in the homes involved. If the school cannot verify the wishes of both parents through notes, the students may be required to go home. Phone calls from school cannot be made. **ALL TRANSPORTATION CHANGES NEED TO BE MADE BEFORE 2:30 P.M.**

IN REGARDS TO ATHLETICS (ELEMENTARY AND JR. HIGH/HIGH SCHOOL), STUDENTS NOT INVOLVED IN A SPORT MAY NOT STAY AFTER SCHOOL WITHOUT A PARENT.

CAFETERIA RULES AND REGULATIONS

1. Students are expected to use the cafeteria in a responsible and respectful manner. This includes maintaining a spirit of proper conduct and cleaning up the area around where the student sits.
2. Students may not leave the cafeteria without first having received permission from a supervising teacher.
3. Students are not to take any sodas or food outside during lunch.

COMMUNICATIONS

It is important for you to keep us informed of many things but especially the following:

1. Moves—Please send new addresses or phone numbers as soon as possible.
2. Bus Changes—For your child to ride a different bus or the same bus to another location, we must have a written note from the parent. Valley-R-VI Elementary may not accept phone calls for bus changes or pick-ups. We must receive written notification and parent/guardian signature for all transportation changes.
3. Medication – NO medicine can be administered at school without a doctor's written permission slip, including over the counter drugs.
4. Health Alert—Please notify the school nurse and your child's teacher of any special health problems (allergies and/or allergic reactions, asthma, seizures, etc.)
5. Students receiving large bouquets, vases of flowers, and/or balloons will not be allowed to take them home on the bus due to safety reasons. Parents must pick up gifts of flowers and balloons sent to students at school.

EPAT (ELEMENTARY PARENTS AND TEACHERS) ORGANIZATION

The parent/teacher organization of Valley R-6 Elementary Schools (EPAT) sponsors activities throughout the school year involving students, parents, and teachers. EPAT provides the funding for many academic and social activities for the students. Announcements of date and location of monthly meetings will be sent home with your child.

FIELD TRIPS

FOR THE SAFETY OF OUR STUDENTS, PARENTS/GUARDIANS WHO PLAN TO ATTEND A FIELD TRIP MUST PASS A CHILD ABUSE/NEGLECT AND CRIMINAL BACKGROUND CHECK. THIS INFORMATION MUST BE ON FILE IN THE OFFICE. NO PARENT/GUARDIAN WILL BE ALLOWED TO ATTEND A FIELD TRIP WITHOUT PASSING A BACKGROUND CHECK. The forms may be obtained in the office. Parents/Guardians need to list their name(s) of those attending the trip on the permission slip. The teachers will be given Visitor Pass labels to provide to the adults attending. Only Parents/Guardians and individuals with a passed background check attending the field trip should have their name(s) written on the permission slip form. Friends and family members are allowed to accompany parents on the field trip. This stipulation will only be allowed if the Parent/Guardian calls the school and sets this up with the Principal one week prior to the field trip. There will also be a limit of 2 attendees per student for all field trips.

The Valley R-VI School District allows elementary school children to participate in annual educational field trips as long as funds remain available. In order to ensure the safety of the students while providing for the enjoyment of both them and the other adults attending, *chronic offenders may not be allowed to attend field trips*. All parents will receive a form prior to the field trip asking if they are interested in accompanying their child on the field trip. Field trips and activities are scheduled to be an extension of the school curriculum. **ALL STUDENTS MUST RIDE THE SCHOOL BUS TO AND FROM THE TRIP.** Parents/guardians who have passed a child abuse/neglect and criminal background check are allowed to attend the field trips, but may not ride the school bus. Parents who attend are expected to follow the direction of the teacher and follow all school rules. All adults are to be an exemplary model for the students. All adults must stay with their assigned group and no one is allowed to curse, smoke, or drink alcohol on the field trip.

All students **MUST** have a signed permission slip from a parent/guardian prior to the date of the field trip. Students may not take part in field trips without written permission. **NO** phone calls may be made granting permission if slips are not returned by students or parents/guardians. **FIELD TRIPS ARE ONLY FOR STUDENTS CURRENTLY ENROLLED IN VALLEY R-VI ELEMENTARY. NO OTHER INFANTS, PRESCHOOLERS, OR OTHER STUDENTS SHOULD ACCOMPANY ADULTS ON FIELD TRIPS.**

PARENTS

1. **PARENTS/GUARDIANS MUST PASS A CHILD ABUSE/NEGLECT AND CRIMINAL BACKGROUND CHECK. THIS INFORMATION MUST BE ON FILE IN THE OFFICE. NO PARENT/GUARDIAN WILL BE ALLOWED TO ATTEND A FIELD TRIP WITHOUT PASSING A BACKGROUND CHECK. The forms may be obtained in the office.**
2. Parents are welcome to follow the bus and observe the guidelines.
3. Parents are welcome to join the group their child is in and accompany them while at an attraction. Children may not be removed from the supervision of the teacher(s).

4. Children may not ride with their parents in the cars following the bus for any portion of the trip with the exception of emergencies/medical reasons. Students who leave a field trip with their parents due to an emergency/medical reason will be counted absent if leaving during school hours. **ANY PARENT NEEDING TO LEAVE A FIELD TRIP WITH THEIR CHILD DUE TO AN EMERGENCY, MUST MAKE ARRANGEMENTS WITH THE PRINCIPAL PRIOR TO THE DATE OF THE FIELD TRIP; OTHERWISE STUDENTS ARE EXPECTED TO RIDE THE BUS TO AND FROM THE TRIP.**

5. It is the parent's responsibility to follow the itinerary of the field trip.

6. Parents following the bus should be aware that reservations are made and tickets are purchased, when applicable, in advance of the actual field trip date. Numbers used in these transactions do not account for anyone who might be following the bus.

7. Preschool children and infants should not accompany parents on field trips.

FOOD SERVICE

The school cafeterias serve a type "A" nutritious lunch every day. All students are urged to participate in the lunch program. Students may purchase a hot lunch including milk for \$2.40 a day or \$12.00 if paid for by the week. Extra milk may be purchased for .25 cents. Breakfast is served for \$1.35 per day or \$6.75 if paid weekly.

Reduced lunch is .40 cents per day and reduced breakfast is .30 cents per day.

Sack lunches are permitted and milk may be purchased. Soda/drinks may only be brought to school in a non-breakable SEALED container as part of a sack lunch and can only be consumed during lunch. Non-breakable thermos bottles are acceptable. **NO POWER DRINKS WILL BE ALLOWED AT SCHOOL!**

Parents may eat lunch with your child for a birthday celebration. It is necessary to let the school know in advance of the date if you plan to join us for lunch so an accurate lunch count may be made. An adult lunch is \$3.25.

After \$20 of meal charges, parents/guardians will be notified. Charges will not be allowed to exceed \$20 unless special arrangements have been made with the principal.

FUNDRAISING

The Smart Snacks in School standards published by the USDA (United States Department of Agriculture) prohibit at school the sale of foods and beverages that do not meet their nutrition requirements. This means that fundraisers selling food products that can immediately be consumed can no longer be sold at school during school hours. This includes the sale of items such as candy, soda, beef jerky, etc. The standards do not apply during non-school hours, on weekends, and at off-campus fundraising events. Fundraisers that sell pre-packaged items that must be prepared later, such as pizzas, are still permitted to be sold at school.

HALL PASSES

When it is absolutely necessary for a student to be out of class, the student must carry a hall pass unless he/she is with a teacher.

IDENTIFICATION OF AT-RISK STUDENTS

The District is committed to identifying students who are at-risk of not being ready for college-level work or not being ready for employment in entry-level career positions. It is essential that such identification occur early enough that our schools can intervene with academic counseling, career counseling, and other intervention services to enhance a student's readiness for post high school academic or employment opportunities.

Identification

Consistent with this District's commitment, at-risk students will be identified by at least their ninth grade year, including students who transfer into the District during ninth grade. In order to identify such at-risk students, District staff will utilize the following criteria:

1. Student performance in Mathematics and English on the eighth grade Missouri Assessment Program (MAP) tests.
2. The District will consider comparable statewide assessment performance for students transferring into ninth grade from outside of Missouri.
3. The District's reported rate of students taking remedial courses in basic academic subjects of English, Mathematics, and Reading during their initial year of college. In assessing this data, the District will rely on data submitted by the Department of Higher Education pursuant to § 173.750 RSMo.
4. The student's attendance rates.

While the above at-risk identifiers are mandatory, the District may consider additional criteria including, but not limited to, review of discipline record; performance more than one grade level below in Reading and/or Math; core subject middle school grades; academic assessment results; contents of Section 504 Plan; ACE score (Adverse Childhood Experience) of 5 or more or other relevant identifiers.

Academic and Career Counseling

When at-risk students are identified, the District will initiate academic and/or career counseling as soon as is practicable to enhance at-risk students' opportunity to graduate on-time, and to enhance their college and/or career readiness.

This policy may be appropriately waived for any student with a disability upon the recommendation of the student's Individualized Education Program (IEP) team.

INOCULATIONS OF STUDENTS

All students attending District schools are required to be in compliance with state programs mandating immunization against specific diseases. Failure to comply with District immunization requirements will result in exclusion from school until proof of compliance is provided. Homeless children will be granted a temporary twenty-four (24) hour grace period within which to submit proof of compliance.

The Superintendent shall institute procedures for the maintenance of health records, which are to show the immunization status of every student enrolled or attending in the District, and for the completion of all necessary reports in accordance with guidelines prepared by the Department of Social Services-Missouri Division of Health. Upon written request, the District will notify the parents/guardians of pre-kindergarten students whether other pre-kindergarten students are attending school with an immunization exception. The identity of students for whom an immunization exception has been filed is confidential and will not be released except as required by law.

LICE

If your child is found with head lice please report this to the school nurse. It is very important that you check your children consistently. In order to protect instructional time, school personnel will check all students for lice as necessity dictates. If your child is found with head lice at school you will be contacted to pick your child or children up and follow procedures to eliminate the problem. Complete the treatment as quickly as possible as students cannot return to school until they are treated with medicated shampoo and **all nits are removed**. Students must be brought back to school by their parent before returning on bus to be rechecked. **THEY MAY NOT RIDE THE BUS**. The school will make every effort to keep information on a "need to know" basis only.

LOST AND FOUND

Clothing and personal belongings that are brought to school should be labeled with the child's name. Articles will be turned in and placed in the Lost and Found box in the office. During events which parents will be attending, the Lost and Found items will be placed in the main hallway. Please examine/inquire if you are missing items. All accumulated items will be discarded at the end of each school year.

MEDICATIONS GIVEN AT SCHOOL

No prescriptions or over-the-counter medications will be given at school without the consent of the physician. There are no exceptions to this rule. Medication to be given twice or three times daily can be given at home before school, after school, and at bedtime.

ADMINISTERING MEDICATIONS TO STUDENTS

When medication is to be administered by school officials, the medicine must be accompanied by a label affixed by a pharmacy or must be in the manufacturer's original container. In addition, written instructions signed by the physician will be required and will include: child's name, name of medication, dosage, time of administration, and date. The administration of medicine to a student, when all of the above conditions have been met, shall be limited to the school nurse or other appointed district personnel. The time of dosage shall be entered into a daily log and initialed as given by personnel. The parents of the child must assume responsibility for informing school personnel of any change in the child's health or change in medication.

No medication will be given/taken at school without a doctor's order. This includes all over-the-counter medicines such as:

Cough medicines	Cough drops	Ointments	Antacids
Aspirin	Sprays	Antihistamines	Allergy medicine
Tylenol	Toothache medicines	Throat lozenges	

All medicine must be provided by the parent along with a form filled out and signed giving permission.

CONSENT TO MEDICAL TREATMENT AND EDUCATIONAL SERVICE

As provided by statute, and as otherwise provided in Board Policy, the following individuals may consent to student medical treatment and educational services:

1. Parents
2. Student's legal guardian
3. Relative caregiver
4. Foster parent
5. Any person who under court order is authorized to give consent for a student

A "relative caregiver" is defined by statute as a competent adult (18 years of age or older) who is related to the student by blood, marriage or adoption, and who is not the parent. Relative caregivers are required to provide an affidavit attesting that the student lives with the relative caregiver and they are responsible for the care of the student. (See Form 2835).

A relative caregiver acting under the requirements of an affidavit may consent to medical treatment and educational services for a student who cannot otherwise legally consent, if the parent has delegated these responsibilities in writing, or after reasonable efforts, the consent of the parent cannot be obtained.

The consent of the relative caregiver will be revoked in the event the student's parent withdraws their authorization provided the parent's decision does not threaten the life, health or safety of the student. In addition, if the student ceases to live with the relative caregiver, the relative caregiver must immediately notify the District. Upon receipt of such notice, the relative caregiver can no longer consent to medical treatment or educational services.

A relative caregiver's affidavit is valid for one year from the date received by the District.

SELF ADMINISTRATION OF MEDICATION

A physician may recommend that an individual with a chronic health condition assume responsibility for his/her own medication as part of learning self-care, e.g., inhalers used for asthma. These individuals would be allowed to carry emergency medications with them at all times, in case of an attack that could be life threatening. This will be done only if the following conditions are first met.

1. The student's physician shall provide the school with a written request that the student be allowed to self-administer the medication during school hours.
2. The parent/guardian shall provide a written request that the district comply with the physician's request.
3. Students must document each time they self-administer medication at school. They must see the nurse and record in ink their name, date, time, dosage administered, and sign the record that is maintained in order for the school to keep an accurate log of medications used at school.

MEDICATIONS ARE NOT TO BE TRANSPORTED ON THE BUS BY ANY STUDENT ... AT ANY TIME!

Only a thirty-day maximum supply is to be brought and kept at school at any given time.

Adopted: January 9, 1997

Valley RVI Board of Education

MOCAP

The District participates in the Missouri Course Access and Virtual School Program. The Program offers District students the opportunity to enroll in virtual school courses in a variety of grade level and content areas from Kindergarten through grade 12. If interested in this Program, please contact the school counselor Ashley Jones at ashley.jones@valley.k12.mo.us.

OFFICE HOURS

The school office is open daily from 7:45 A.M. until 3:30 P.M. Due to the uncertainty of the principal's schedule each day, parents should call to confirm availability and make an appointment before dropping by. The goal of the principal is to be in classrooms and be present throughout the school as much as possible during the instructional school day. All telephone calls, unless it is an emergency, will be returned within a 24-hour period, except in cases of the principal's absence when the phone calls will be returned on the principal's first day back.

PARENT INVOLVEMENT

The Valley R-6 School District has always encouraged and enjoyed parental involvement in the educational process. However, for the safety of our students, we require parents/guardians who would like to volunteer, attend class parties, play day, and/or attend field trips to pass a child abuse/neglect and criminal record background check. No parent will be allowed to serve as a volunteer and/or room parent or attend class parties/field trips without passing a background check. The forms may be obtained in the office. Please remember this is solely for the safety of all our children. Also, anytime anyone (including parents/guardians) visits the school, they must sign in at the office and pick up a visitor's pass.

PARENT VOLUNTEERS

Valley R-6 Elementary welcomes the opportunity to utilize the abilities of community patrons willing to volunteer their time and talents in the interest of improving the learning process and learning opportunities. Such a resource can prove to be an asset to the total educational program of the school, if operated in a controlled, orderly fashion. The volunteer program at Valley R-6 Elementary is under the direction and control of the Parent Volunteer Program Coordinators. They will establish ground rules and daily procedures as may be required. Any person wishing to volunteer must pass a Name Search and Central Registry Child Abuse Search (there is a fee for this). This is a requirement for anyone who wishes to volunteer in our school.

PARTIES

FOR THE SAFETY OF OUR STUDENTS, PARENTS/GUARDIANS WHO PLAN TO ATTEND A CLASS PARTY MUST PASS A CHILD ABUSE/NEGLECT AND CRIMINAL BACKGROUND CHECK. THIS INFORMATION MUST BE ON FILE IN THE OFFICE. NO PARENT/GUARDIAN WILL BE ALLOWED TO ATTEND A CLASS PARTY WITHOUT PASSING A BACKGROUND CHECK. The forms may be obtained in the office.

Classroom parties shall be limited to two per year- Halloween and Valentine's Day. Teachers may ask for room mothers early in the year. Duties of the room mothers will vary with grade level and will be assigned by the teachers. All treats brought by parents **MUST** be commercially purchased & packaged. **NO GUM OR HARD CANDY PLEASE!** We remind parents that these parties are for the enjoyment of the students and their classmates and *chronic offenders may not be allowed to attend classroom parties*. **STUDENTS MUST BE PRESENT DURING THE SCHOOL DAY TO PARTICIPATE IN THE PARTY.**

Halloween Party: For the safety of everyone attending the party, no masks or props should be worn/brought to school. Students may wear face paint.

PHYSICAL EDUCATION CLASSES

Every student is required to take physical education. Students who are to be excused from this class should bring a note from home. The note will only be accepted for two days of P.E. Students not participating in P.E. without a doctor's excuse will be required to complete written assignments. If the student is to be excused longer than two days of P.E., a written excuse from a physician must be given to the teacher. Doctor releases to return to active participation will be required for students who have been held out of physical activity by a physician. It is strongly recommended that students wear or bring shoes appropriate for physical education. The wearing of sandals, boots, or loafers may cause accidents during the physical education class.

PLAYGROUND RULES

1. Students are to follow directions of the supervising teacher.
2. No horseplay, name calling, teasing, fighting or throwing objects.
3. Play in assigned areas only.
4. Use equipment properly. No running up slides, climbing on outside of tube slides, playing on outside edge of playground equipment, jumping out of swings, etc.
5. Follow school rules concerning proper behavior.

PLEDGE OF ALLEGIANCE

Schools shall ensure that the Pledge of Allegiance is recited at least once per school day. No student shall be required to recite the Pledge of Allegiance.

RECESS

Students are not permitted to stay in their classrooms during recess periods unless they have their teacher's permission and the teacher is able to provide supervision. If you or your doctor wish your child to remain in the building because of health concerns, it is necessary that a note be sent to the teacher stating the reason for the request and the length of time requested. Notes from parents will be honored up to two days. A doctor's note should be secured for additional time.

During the winter months, frequent checks are made concerning wind velocity and the temperature to determine whether students will play outside or have an inside recess. Please do not send notes requesting children remain in during recess because it is "too cold". The following guidelines are used regarding recess:

All students: 90-100 degrees (feels like) – Children can stay out with plenty of water

Grade K-2 students: 40-90 degrees (feels like) – Children can stay out for the length of their recess

Grade 3-6 students: 32-90 degrees (feels like) – Children can stay out for the length of their recess

During snow conditions, provided it is not "slushy", students maintain a regular outside recess schedule. Please prepare your children with appropriate boots, gloves, and a hat for recess to keep them warm during cold weather. Please label your children's clothing to help decrease the number of lost and found items.

SCHOOL PROPERTY

Students will be held responsible for the proper care of all books, supplies, and furniture furnished to them by the Board of Education. Students who deface or destroy school property shall be required to pay all damages. Parents/guardians will be responsible to pay for replacement value of book or materials. A clean, neat school reflects the students who attend the school. You should:

1. Never mar, scratch, or deface school property.
2. Do your part to keep the grounds and buildings clean.
3. Eat food only in those places which have been designated for that purpose.
4. Keep the restrooms clean and neat.
5. Help make the custodians work easier.

SCREENING FOR DYSLEXIA

Dyslexia is a disorder that is neurological in origin, characterized by difficulties with accurate and fluent word recognition and poor spelling and decoding abilities that typically result from a deficit on the phonological component of language, often unexpected in relation to other cognitive abilities and the provision of effective classroom instruction, and of which secondary consequences may include problems in reading, comprehension and reduced reading experience that can impede growth of vocabulary and background knowledge.

In order to close the gap between struggling readers and their “normally” developing peers, the District will:

1. Identify students at risk for dyslexia or reading failure.
2. Form small groups for instruction and intervention.
3. Plan instruction and intervention.
4. Goal setting for individual student achievement.
5. Set criteria for intervention exit.

Screening

Each student, kindergarten through third grade, will annually be screened for dyslexia within the first thirty (30) days of the school year. In order to monitor progress or lack of progress, benchmark assessments will also be completed for K-3 students in the middle and at the end of each school year.

The dyslexia screening protocol set forth in this policy will also be administered to the following students:

1. K-3 Missouri transfer students who have not been previously screened.
2. K-3 out-of-state transfer students who do not have documentation of previous screening.
3. Students in grades 4 and above with a record of potential dyslexia related issues as determined by the classroom teacher or as requested by the student’s parent/guardian.

The following groups are exempt from dyslexia screening:

1. Students with an existing diagnosis of dyslexia.
2. Students with a sensory impairment (visual/auditory).
3. Students with severe intellectual disabilities.
4. Students who are English Learners where screening administration and/or interpretation are not available. However, English Learners may be screened for dyslexia-related risk factors through screening in the student’s native language, where feasible.

Screening Components

There is no one test that encompasses all recommended skills. The District will utilize screening tools that are both reliable and valid. However, universal screening is not sufficient to identify students with dyslexia. Universal screening can reveal specific weaknesses that are consistent with dyslexia. Monitoring a student's response to high quality reading instruction may be the best way to identify students with severe dyslexia.

The District will identify the appropriate staff to complete student screenings. These staff members may include: classroom teachers, reading interventionists, Title I teachers, reading specialists, or coaches or any combination of these individuals.

Supports and Accommodations

Once identified, students with dyslexia will be provided with the supports and accommodations tailored to meet the individual student's needs. These accommodations will derive from the following supports and accommodations.

1. General classroom instruction modifications.
2. Instructional environment.
3. Technology
4. Social/Emotional
5. Design of Classroom Assignments
6. Test and Exams.

The District will consider the specific supports and accommodations set forth in DESE's "Serving Students at Risk for Dyslexia: Guidance to LEAs."

STUDENT BIRTHDAYS

Parents may bring ONE type of commercially purchased & packaged treat (cupcakes or cookies) to school for their child's birthday. These treats will need to be brought to the office prior to the child's lunch time. The school does not want to take away from the instructional school day or students' recess time so lunch will be the ONLY time the school will allow these treats to be distributed among the students in the class. There will be NO birthday parties held in the classrooms for students.

STUDENT INSURANCE

Individual student accident insurance is made available through the schools at the student's expense, at the beginning of the school year. The proper forms will be available upon request or may be downloaded from the school website.

STUDENT USE OF TOBACCO, ALCOHOL, DRUGS, AND VAPOR PRODUCTS

- **Smoking**

The Board of Education believes that smoking; the use of any tobacco products; vapor products and substances appearing to be tobacco products are detrimental to the health and well-being of staff and students. This prohibition includes electronic cigarettes, vaping and similar objects used in conjunction with vaping. Therefore, the Board prohibits the use, sale, transfer and possession of tobacco products, vapor products, and substances appearing to be tobacco products or vapor products, i.e. e-cigarettes, vaping paraphernalia, at school and at school activities.

- **Alcohol and Drug Use**

The improper use of controlled substances, alcohol and substances represented to be such is detrimental to the health and welfare of students and is detrimental to discipline in school. Such conduct, as well as the possession of drug paraphernalia, is prohibited and is subject to disciplinary action as set forth in Regulation 2610.

Pursuant to 29 U.S.C. 705(20)(c)(iv), a student with a 504/ADA disability who is currently engaging in the illegal use of alcohol or drugs is not considered a student with a disability under those laws and the District, may take disciplinary action – to the same extent that disciplinary action is taken against nondisabled students – in relation to that use or possession of alcohol or drugs. In such cases, the due process procedures contained in the Section 504 regulations will not apply to protect those students. This provision does not apply to students who are identified as disabled under the Individuals with Disabilities Education Act. However, school personnel may remove an IDEA disabled student to an interim alternative educational setting for not more than 45 school days without regard to whether that student’s behavior is a manifestation of his/her disability where that student knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the District’s jurisdiction. “Illegal drug,” as it pertains to the discipline of IDEA students, means a controlled substance but does not include a controlled substance that is legally possessed or used under the supervision of a licensed health-care professional or under any other authority.

The determination of whether or not a student is under the influence of alcohol or a controlled substance is based upon a variety of information including but not limited to, physical appearances, speech patterns, and witnesses’ statements. While not required, District administrators may request a student suspected of alcohol use to submit to a Breathalyzer. Conduct that includes possession of or use of alcohol or controlled substances as well as the possession of drug paraphernalia is prohibited and is subject to disciplinary action as set forth in Regulation 2610.

- **CBD Products**

Due to the lack of consistency in labeling related to the potency of many CBD and similar products; due to the lack of research into the long-term effects of these products; and due to the overriding concern for the health and safety of District students, CBD and similar products are prohibited on school premises and at school related activities. Penalties for violations of this policy will be consistent with the penalties for alcohol and drug possession.

TECHNOLOGY

Students now have the ability to use Chromebooks in the classroom at the elementary. The same technology rules apply when it comes to using the Chromebooks and students are to follow these rules daily. If a student fails to comply with using their Chromebook the right way, then they will be in danger of losing those privileges. Students in grades 3-6 will have the privilege of taking Chromebooks home and being responsible for taking care of their technology. Grades K-2 will have Chromebook tablets which will stay in the classroom at all times.

TELEPHONE USE

School offices are extremely busy places. Students should ask to use the telephone only in case of an emergency. Arrangements for after school activities should be made before coming to school.

It is EXTREMELY important for us to have a working telephone number on the enrollment form so parents can be reached in case of emergency. If you do not have a working telephone number, please provide telephone numbers of a close friend, relative, or neighbor.

VISITORS

Visitors must report to the school office and sign a visitor's log prior to visiting any classes. Students are not allowed to bring guests with them to school for visitation purposes.

WEBSITE ACCESSIBILITY

The District is committed to providing accessibility of its website for students, parents, and members of the community with disabilities by meeting or exceeding the requirements of Section 508 of the Rehabilitation Act (29 U.S.C. 794d), as amended in 1998. Section 508 is a federal law that requires agencies to provide individuals with disabilities equal access to electronic information and data comparable to those who do not have disabilities, unless an undue burden would be imposed on the agency.

Information on the District's website will provide access either through modification of its website in conformance of the W3C WAI's Web Content Accessibility Guidelines (WCAG) or by providing the same information in a modality addressing an individual's disability. Students, parents and members of the community who have questions about the accessibility of content used, and/or would like to report barriers to accessing the District's website, please contact the District's Media Liaison, Jennifer Juliette at <jjuliette@valley.k12.mo.us> or call 573-779-3515, ext. 1. You may also contact a district administrator (Mr. Jason Samples, Superintendent of Schools, <jason.samples@valley.k12.mo.us>, 573-779-3446, ext. 3; Ms. Jamie Warden, Junior and Senior High Principal, <jamie.warden@valley.k12.mo.us>, 573-779-3515, ext. 1; Mr. Caleb Tiefenauer, Elementary Principal, <ctiefenauer@valley.k12.mo.us>, 573-779-3332, ext. 2) with detailed information on the location of the page or document you are attempting to access so we can make it accessible. Please include your name, email address and phone number so that we may contact you to provide the information in another format.

Website Accessibility

With regard to the District website and any official District web presence which is developed by, maintained by, or offered through third party vendors and open sources, the District is committed to compliance with the provisions of the Americans with Disabilities Act (ADA), Section 504 and Title II so that students, parents and members of the public with disabilities are able to independently acquire the same information, engage in the same interactions, and enjoy the same benefits and services within the same timeframe as those without disabilities, with substantially equivalent ease of use; and that they are not excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in any District programs, services, and activities delivered online.

The District shall appoint an administrator(s) who will be responsible for reviewing and evaluating new material that is published by school staff and uploaded to the website for accessibility on a periodic basis. The designated responsible personnel or 3rd party, will be responsible for reviewing all areas of the District's website and evaluating its accessibility on a periodic basis, and at least once per quarter. Any non-conforming webpages will be corrected in a timely manner.

Website Accessibility Concerns, Complaints and Grievances

A student, parent or member of the public who wishes to submit a complaint or grievance regarding a violation of the Americans with Disabilities Act (ADA), Section 504 or Title II related to the accessibility of any official District web presence that is developed by, maintained by, or offered through the District, third party vendors and/or open sources may make complaints directly to the District's Media Liaison, Jennifer Juliette at <jjuliette@valley.k12.mo.us> or call 573-779-3515, ext. 1. You may also contact a district administrator (Mr. Jason Samples, Superintendent of Schools, <jason.samples@valley.k12.mo.us>, 573-779-3446, ext. 3; Ms. Jamie Warden, Junior and Senior High Principal, <jamie.warden@valley.k12.mo.us>, 573-779-3515, ext. 1; Mr. Caleb Tiefenauer, Elementary Principal, <ctiefenauer@valley.k12.mo.us>, 573-779-3332, ext. 2). The initial complaint or grievance should be made utilizing the procedures set forth in Policy/Regulation 1300 - Prohibition Against Harassment, Discrimination and Retaliation. When administration receives the information, they shall immediately inform the designated District official.

Whether or not a formal complaint or grievance is made, once the District has been notified of inaccessible content, effective communication shall be provided as soon as possible to the reporting party to provide access to the information in a modality specific to the individual's disability condition.

A record of each complaint and grievance made pursuant to this Policy shall be maintained at the District office. The record shall include a copy of the complaint or grievance filed, report of findings from the investigation, and the disposition of the matter.

Part III: Student Conduct/Discipline Policy

VALLEY R-VI SCHOOL DISTRICT DISCIPLINE POLICY

DISCIPLINE PHILOSOPHY

The public schools of this nation have the responsibility, conferred on them by the state, to provide education for children until they graduate or reach the age of 21. To discharge this function effectively and equitably, school authorities and parents must ensure an environment that is conducive to the learning process. While there are many factors that affect the learning environment, perhaps the most important is the problem that results from inappropriate conduct and lack of consistent and effective disciplinary response.

Federal and state laws confer rights and freedoms to every citizen both in and out of school. At the same time, every citizen has the responsibility to respect identical rights of others. In the school environment, these rights and responsibilities must be harmonious with the learning process. School authorities are thus allowed a broader range of powers in maintaining an orderly environment than is allowed by adhering to due process and other constitutional standards. Organizations, businesses, and industries cannot operate successfully without procedures, goals, expectations, and satisfied workers; neither can schools. Rules that establish discipline guidelines for students are necessary and basic to their growth and development. Thus, it becomes the responsibility of local school districts to have a discipline code that reflects the community's standards and expectations for student behavior.

It is the goal of Valley Elementary to provide a learning environment that is uninterrupted and scholarly for all students. Setting certain standards is important for the maintenance of an atmosphere where orderly learning is possible and encouraged. Behavior that disrupts the learning or safety of other students will not be tolerated. In compliance with state law, this discipline code has been developed, adhered to, and enforced fairly and equally. All school district personnel who are responsible for the care and supervision of students are authorized to hold every student strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school sponsored activities.

DEFINITIONS OF TERMS

A. After School Detention (ASD)

1. ASD is a 45-minute detention served by students from 3:15-4:00. ASD is usually scheduled on a Tuesday, Wednesday, or Thursday. Students assigned this penalty must complete the detention within one calendar week of the assignment.
2. Students must be in the ASD room by 3:15. Students who are late will receive an additional day of ASD.
3. Students will bring with them the necessary textbooks, paper, pencil/pen, and other special materials needed. Students are to complete work from the four core subject areas (Communication Arts, Social Studies, Math, and Science). If this is not possible, they must bring other work and stay busy for the duration of the ASD. Students who fail to stay busy will be assigned an additional day of ASD.
4. No talking will be permitted, unless the student raises his/her hand and receives permission from the supervising teacher. Talking without permission will initiate a warning, and a second offense will result in an additional day of ASD.
5. Students must stay in their assigned seats.
6. No food or drinks are permitted.
7. Students are to use the restroom before the ASD begins. In cases of emergency, students will be given permission to use the restroom, but this request may result in an additional day of ASD. Students will be released from ASD promptly at 4:00. It is the responsibility of parents/guardians to arrange transportation at that time.
8. Students who will be or are absent on their scheduled day of ASD must contact the principal and reschedule the ASD.
9. Students who attend school but skip the ASD are subject to further disciplinary measures.
10. Teachers and the principal reserve the right to use alternative methods to the ones described above when deemed necessary.

B. Wednesday School/Detention (WS/WD)

1. Wednesday School/Detention begins at 3:15 P.M. and ends at 6:00 P.M.
2. Rules pertaining to ASD also pertain to WS/WD.

C. In-School Suspension (ISS)

1. Students assigned to ISS will start serving their ISS at the next available day offered by the school.
2. Students assigned to ISS will be in the room designated by the principal for the duration of assignment. Students are responsible for bringing all needed materials (textbooks, paper, pencil, art supplies, etc.).
3. The student is responsible for completing all assigned work. Teachers will be notified of the ISS and will give the ISS supervisor enough assignments to keep the student occupied for the duration of the ISS assignment. All completed work will count for the full credit. Students who fail to complete all work or who fail to meet ISS regulations may be assigned an additional day(s) of ISS.
4. Talking without the supervisor's permission is forbidden. Students must stay in the assigned seats, and students must work continually on their school assignments.
5. Students will eat lunch in the ISS room.
6. Rules pertaining to ASD also pertain to ISS.

D. Out-of-School Suspension (OSS)

1. For certain serious offenses, students are assigned OSS. During this time, students receive no credit for assignments, tests, & other work missed while on suspension. However, students are encouraged to complete assignments so they will not fall behind in the classroom.
2. The student may not participate as a participant or an observer during OSS in any school activities until the next day after penalty is completed.
3. Students who have received OSS must stay off the school premises until the OSS penalty expires.
4. The days of OSS will count against the student's attendance record.

DISCIPLINARY MANAGEMENT POLICY

The classroom teacher and bus driver are the primary disciplinarians in the classroom or on the bus. As a result, teachers and bus drivers have not only the authority but also the right to maintain an environment that is conducive to the educational or transportation process.

The following are disciplinary, remedial, and/or corrective action processes to be used by staff members:

1. Conference(s) will be held with the student and the teachers or principal who observe, or who is responding to, the unacceptable student behavior in order to obtain all available information related to the subject. Parents will participate in the conference(s) as the situation warrants, to become informed, to contribute to solutions, and to be a part of the disciplinary actions to be taken. Information concerning student discipline hearings before the Board may be obtained in the principal's office. It is recognized that there may be times when school personnel must talk to a student immediately to give the student notice of unacceptable behavior, to enable the student and school personnel only, either because the immediacy of the situation so requires, or because parents are unavailable or both.
2. The staff members (teachers or principal) will evaluate the information obtained, review the disciplinary action options, and determine, in their judgment, the most reasonable action choice(s).
3. The objectives of any disciplinary action to be used by the school staff members are: 1) Achieve remedies and to correct any unacceptable student behavior; 2) to develop the student's character and power of self-control; and 3) to interact with the student in a way so that the disciplinary action results in a positive and acceptable behavior change outcome.

BULLYING- [Policy 2655 & Policy Regulation 2610] The District is committed to maintaining a learning and working environment free of any form of bullying or intimidation. Bullying is strictly prohibited on school grounds, or school time, at a school sponsored activity or in a school related context. Bullying is the intentional action by an individual or group of individuals to inflict intimidation, unwanted aggressive behavior, or harassment that is repetitive or is substantially likely to be repeated and causes a reasonable student to fear for his or her physical safety or property; substantially interferes with the educational performance, opportunities, or benefits of any student without exception; or substantially disrupts the orderly operation of the school. Bullying may consist of physical actions, including gestures, or oral, cyberbullying, electronic, or written communication, and any threat of retaliation for reporting acts of bullying.

Cyberbullying means bullying as defined above through the transmission of a communication including, but not limited to, a message, text, sound, or image by means of an electronic device including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager. The District may prohibit and discipline for cyberbullying that originates on any District campus or at a District activity if the electronic communication was made using the school's technological resources, if there is a sufficient nexus to the educational environment, or if the electronic communication was made on the District's campus or at a District activity using the student's own personal technological resources. Further, students who engage in significant acts of misconduct off campus which materially and adversely impact the education of District students will be subject to discipline.

Bullying, as defined in this policy, is strictly prohibited. Students are encouraged to report any incident of bullying which they have witnessed or incurred, by contacting their building principal. District employees are required to report any instance of bullying of which the employee has witnessed within two (2) school days of the occurrence. Employees shall report the occurrence to the building principal, who is the person the District designates to receive reports of incidents of bullying. A principal who receives a report of an incident of bullying shall initiate an investigation into the allegations within two (2) school days of receipt of the report. The principal may assign other employees to assist in the investigation, or request that the superintendent assign an outside investigator. The investigation shall be completed within ten school days from the date of the written report of bullying unless good cause exists to extend the investigation. No employee or student who reports an act of bullying shall be subject to reprisal or retaliation for making such a report. Any person who engages in reprisal or retaliation against an employee or student who reports an act of bullying shall be subject to disciplinary action.

Students who are found to have violated this policy will be subject to consequences depending on factors such as: age of student(s), degree of harm, severity of behavior, number of incidences, etc. Possible consequences to a student for a violation of this policy include: loss of privileges, classroom detention, conference with teacher, parents contacted, conference with principal, in-school suspension, out-of-school suspension, expulsion and law enforcement contacted.

The District shall give annual notice of the policy to students, parents or guardians, and staff. This policy shall be included in all student handbooks. This policy shall also be posted on the District's web page (as a Board policy) and a copy shall be placed in the District Administrative Office.

The District shall provide information and appropriate training to District staff who have significant contact with students regarding the policy. All staff with significant student contact shall be trained on the requirements of this policy on an annual basis.

The District shall provide education and information to students regarding bullying, including information regarding this policy prohibiting bullying, the harmful effects of bullying, and other applicable initiatives to address bullying, including student peer-to-peer initiatives to provide accountability and policy enforcement for those found to have engaged in bullying, reprisal, or retaliation against any person who reports an act of bullying. The District shall instruct its school counselors, school social workers, licensed social workers, mental health professionals, and school psychologists to educate students who are victims of bullying on techniques for students to overcome bullying's negative effects. Such techniques include but are not limited to, cultivating the student's self-worth and

self-esteem; teaching the student to defend himself or herself assertively and effectively; helping the student develop social skills or encouraging the student to develop an internal locus of control. District administrators will implement programs and other initiatives to address bullying, to respond to such conduct in a manner that does not stigmatize the victim, and to make resources or referrals available to victims of bullying.

All students attending school in District schools will be expected to accept the obligation and responsibility to attend school on a regular basis and to comply with the District's discipline code set forth in Regulation 2610. Those students who choose not to fulfill their responsibilities at school will be held accountable for their conduct. Consequences for individual acts of misconduct are calculated to discipline the student, to deter future misconduct, and to provide a safe and positive environment in which students can learn. Students who engage in significant acts of misconduct off campus which materially and adversely impact the educational environment of district students to the extent allowed by law will be subject to discipline up to and including expulsion.

In addition, student discipline hearings will also be held upon written parental request to consider appeals from student suspension in excess of ten days.

1. Parents/guardians will be advised of the charges against the student; their right to a Board hearing; the date, time, and place of the hearing; their right of counsel; and their procedural right to call witnesses, enter exhibits and cross-examine adverse witnesses. All such notifications will be made by certified mail, addressed to the student’s parents or guardians.

STUDENT SUSPENSIONS AND EXPULSIONS

Students charged or convicted of a felony will to be permitted to attend school until the criminal matters are solved. Students suspended or expelled from another school will not be permitted to attend until the suspension has been completed. Students expelled from another school will not be permitted to attend school. The Board of Education believes that the right of a child to attend free public schools carries with it the responsibility of the child to attend school regularly and to comply with the lawful policies, school policies, rules and regulations essential for permitting others to learn at school. Therefore, the administration reserves the prerogative to remove a student from his/her present school setting because of willful violation of school rules and regulations, willful conduct which materially or substantially disrupts the rights of others to an education, or willful conduct which endangers the student, other students, or the property of the school. This action is taken in accordance with due process and with due regard for the welfare of both the individuals by administrative act of summary suspension. Expulsion can be implemented only through specific action by the Board of Education.

No student shall be suspended unless the following hearing procedures are implemented:

1. The student shall be given oral or written notice of the charges against him/her.
2. If the student denies the charges, he/she shall be given an oral or written explanation of the facts that form the basis of the proposed suspension.
3. The student shall be given an opportunity to present his/her version of the incident.
4. Prompt notification will be given to the parent/guardian or others having custodial care of the student, including reasons for such action.

The Board authorizes the summary suspension of pupils by the building principals for a period not to exceed ten school days and by the Superintendent for a period not to exceed a total of 180 school days, provided such action is in accordance with due process and state statutes. Any suspension by a building principal shall be immediately reported to the Superintendent, who may revoke the suspension at any time.

In case of a suspension of a student by the Superintendent for a period of more than ten days, the student, his/her parent/guardian, or others having custodial care may appeal the decision of the Superintendent to the Board or to a committee of the Board, appointed by the president of the Board, which shall have authority to act in lieu of the full Board. Requests for appeal shall be in writing and filed with the secretary of the Board. Upon the filing of the appeal, the suspension shall be stayed unless the Superintendent determines the student's presence poses a continuing danger to persons or property or an on-going threat of disrupting the academic process. In such cases, the resulting judgment shall be immediately removed from school.

Upon the filing of a request for an appeal of the Superintendent's decision to suspend a student for more than a period of ten school days, the Superintendent shall promptly transmit a written report to the Board, indicating the facts relating to the suspension, the action taken by the Superintendent and other administrative officials, and the reasons for such action. The Board, upon written request, shall grant a hearing to the appealing party.

Insurance Protection must be paid in full before the first claim can be processed.

Insurance will not be offered after breakage or damages have occurred.

Reimbursement of insurance for students that withdraw from the district will be prorated at \$10 per semester, with the maximum refund being \$10.00 within a given year.

**Annual is determined to be first of school year distribution until end of the regular school year, or end of summer school session of which your student is enrolled.*

- If the loss or theft is the charger/power adapter, carrying case strap, or the carrying case alone (without the Chromebook inside of it), then a police report is not needed. Insurance will cover 25% and the student is responsible for the remaining 75% of the replacement cost.

An opportunity will be provided to present an explanation before a neutral administrator (or student will be provided with notice and an opportunity to be heard in the manner set forth in the disciplinary code).
- Disciplinary actions will be tailored to meet specific concerns related to the violation and to assist the student in gaining the self-discipline necessary to behave appropriately on an electronic network. Violations of the acceptable use regulation and agreement may result in a loss of access as well as other disciplinary or legal action.
- If the violation also involves a violation of other provisions of other school rules, it will be handled in a manner described in the school rules. Additional restrictions may be placed on a student's use of his/her network account.

Transfer Out Students

- If a student leaves Valley School District for any reason, you will have **48 hours** to return the computer (Chromebook, carrying case, and charger/power adapter) and other District devices into the District. If not returned within 48 hours, property will be considered stolen and will be reported to the proper authorities. The District reserves the right to press any and all criminal charges in association with failure to return equipment. Seniors must clear ALL records and pay all fees before graduating.

Estimated Repair Pricing Resulting from Deliberate Damage or Neglect

All prices are based on the current cost the District must pay to replace damaged parts and are subject to change. All equipment must be returned upon request for any reason. Equipment must be returned prior to graduating or leaving the District.

Terms of Agreement

Your right to use and possession of the property terminates no later than the last day of the school year unless earlier terminated by the District or upon withdrawal from the District.

Limitation of Liability

- The district makes no guarantee that the functions or the services provided by or through the district network will be error-free or without defect. The district will not be responsible for any damage suffered, including but not limited to, loss of data, privacy or interruptions of service.
- The district is not responsible for the accuracy or quality of the information obtained through or stored on the network. The district will not be responsible for financial obligations arising through the unauthorized use of the network or devices.
- The district provides content filtering but not all malicious activity can be impeded.
- The district is not responsible for goods and/or services purchased or sold through district technology resources.

Loaner Computers

Valley R-VI School District is committed to the importance of a student being able to continue with their work when their Chromebook is experiencing problems. To assist with this problem, the District is providing the following:

Loaner computers will be available through checkout at the office for the regular school day or until the Technology Department has successfully repaired the unit. Students will be required to sign a loaner agreement before the loaner unit is assigned to them. Students will be required to check the loan computer in/out each day.

Unpreparedness/Discipline Actions

If a student comes to school without their Chromebook charged or charger to be able to work in class, they will be allowed to check out a charger from the elementary office but will be entered in the discipline tracking sheet. After 3 warnings have been provided the students will have 4 strikes for the remainder of the school year.

1st offense-15 minutes of recess

2nd offense- Loss of 1 recess

3rd offense- Loss of Chromebook for 1 week, discipline referral entered in Tyler SIS

4th offense- Loss of Chromebook for 1 Quarter, discipline referral entered in Tyler SIS

Chromebook Violations

Students who do not have their Chromebooks for class are not able to fully participate in the learning process with the class. Students are expected to bring their Chromebooks to school every day, and to class every hour, fully charged so they are ready to use them in every class. If a student has to get a loaner because they damaged theirs, forgot theirs or did not have theirs charged it will be considered a Chromebook Violation. (Loaners due to malfunction will not be counted.) If a student has to leave class to get their Chromebook, that will also be considered a Chromebook violation.

Internet Safety

There are many sites on the Internet that can be potentially dangerous to minors. To comply with the Children's Internet Protection Act (CIPA), these sites are blocked while students are logged on to the District network. The District is committed to extending this protection no matter where the student uses their Chromebook. Therefore, the District enforces the same Internet filtering away from the District network through a proxy. This filtering is not perfect. We ask that parents and guardians monitor their child's Internet activity as an additional precaution.

Student Guidelines for Acceptable Use of Technology Resources

1. Students are not allowed to modify or reset Chromebooks to the factory default.
2. No altering of Chromebook, case, or removal of identifying labels.

Students are responsible for bringing their devices charged to all classes, unless specifically advised not to bring them by their teachers. In cases where use of the device has caused batteries to become discharged, students may or may not be able to connect their computers to a power outlet in a class. Students who are unable to participate in class will be subject to disciplinary action.
11. If a student leaves their device at home, they may be able to use a loaner device provided through the office. Loaner devices must be returned to the office by the end of the day. Students who are unable to participate in class will be subject to disciplinary action.
