**Valley R-6 High School Athletics & Activities-Are Cancelled from March 17<sup>th</sup> 5pm until April 6<sup>th</sup>.**

Dear Valley R-6 Family,

The Valley R-6 School District will be closed from Tuesday, March 17 at 5pm through Monday, April 6. During this time, all athletics and activities will be cancelled. This includes all games, practices, contests and all extracurricular activities. As Athletic Director here at Valley, I would say that it burdens me to do this. However, we are leaning on guidance directly from MSHSAA on this situation. "...if a school has determined that they are closing for a period of time due to COVID-19, no practices or games should occur during that time." And our school is cancelling academic sessions based on recommendations from health departments. I plan to keep in contact with other schools and teams just in case anything changes down the road, and you can expect us to keep you updated on these issues as well. Thank you for your understanding and patience during this crazy time.

Thank you,

Johnny Viehland  
Athletic Director
