Welcome to a brand new school year and our new newsletter! Your SWREC Staff met in July to plan for the 2019-2020 year. We are excited to bring you **over 45** training opportunities in many educational categories: Leadership, Special Education, Instructional Coaching, Best Practices for Instruction, Educational Assistants Trainings, Educational Technology, Math Workshops, NGSS (Science) Hands-on Experiences, and Literacy Trainings and Workshops! For a complete listing with registration links, please see the flyer on our website: <https://www.swrecnm.org/News>

Who and What is SWREC?

Southwest Regional Education Cooperative (SWREC) serves 8 member districts in southwest New Mexico by providing professional development, classroom and leadership coaching, technical assistance and fiscal management. **We are driven by your success!**

Our districts include Animas Public Schools, Cobre Consolidated Schools, Deming Public Schools, Hatch Valley Public Schools, Lordsburg Municipal Schools, Reserve Independent Schools, Silver Consolidated Schools, and Truth or Consequences Municipal Schools.

Chasity Montes, a professional development specialist for Southwest Regional Education Cooperative, gave a workshop at New Mexico State University's College of Education for future teachers on how to improve teaching for second-language learners. The college recently merged the departments of Curriculum and Instruction, Educational Leadership and Administration, and Special Education into a single School of Teacher Preparation, Administration and Leadership, which will better prepare master educators, administrators and leaders for public, private and governmental institutions.
