

Good morning Mighty Mustang Families!

We hope this message finds you well during this very difficult and uncertain time. We want to let you know that we are doing our best to keep you updated regarding the current situation of the Corona Virus, how it will be affecting our school, as well as our community. We hope that you are staying safe and that you are taking the proper cautionary measures at home.

As of right now, we will continue to remain closed until March 27th, and hopefully will resume classes on the 30th. As we get information, we will update you. We will be meeting with teachers to discuss the uncertain future of our school closure and materials we will be providing (if school should remained closed indefinitely) next week. In the meantime, we encourage students to log on to district provided online educational websites such as DreamBox and Study Island. Students should be able to log in with their district provided usernames and passwords. If you need this information, please feel free to reach out to your child's teacher, and the information will be provided to you. We also encourage students to continue reading every day/night for at least 20 minutes.

If your child(ren) is in need of meals during these next two weeks, please let your classroom teacher or Mrs. Romero know.

Stay safe.
