Hello,

My name is Nate Canfield. I am teaching fourth grade. I am filling Mrs. Gray's medical leave for the first nine weeks of the school year. I am enrolled in Taylor University's Transition to Teaching program. When I complete the program, I look forward to being an elementary teacher. I am grateful to be a part of the NDES family.

Brodie Hodson is a 5th grader in Mrs. Schoettmer's classroom. This is Brodie's first year at North Decatur Elementary. He is enjoying getting to know his classmates and is happy to be a Charger. Brodie likes to ride his four-wheeler, play with his pets, and spend time exploring creeks. His favorite subjects are reading and math, favorite color is turquoise, and favorite food is desserts! When Brodie grows up, he wants to be a Marine Biologist. With hard work and determination, we know you can achieve your goals, Brodie. Welcome to NDE!
