Water Fountains are not usable this year, but all of our bottle fillers will be operational. Students are encouraged to bring their own clear water bottle to use at school.

IT IS VITALLY IMPORTANT THAT YOU KEEP US INFORMED REGARDING EMERGENCY INFORMATION FOR YOUR CHILD. Keep us updated of any changes throughout the year. We encourage you to use the Harmony 3 Family Access to update your information.

Students are not to be dropped off at school or allowed in the building until 7:45 each morning. The doors are locked until this time.

Fall Picture Day will be Monday, August 10th. Order forms were sent home this week. If ordering pictures, students need to return the forms and payment on picture day. Info to order online is on the order form sent home.

Our food service company has a mobile app to allow families to see what is on the menu each day. The app is called Nutrislice and once you download it all you have to do is select Decatur County Community Schools for the organization and then North Elementary. It's that simple!

Unfortunately, we will not be able to have visitors in the building this year. It is extremely important to keep our communication with home and school, so we will continue to make sure we are sharing and communicating as much as possible with everyone.

Our students have done an amazing job with the start of our new school year! We are very proud of them!!! We appreciate the support of our families and community.
