### ARCHERY UPDATE:

Good luck to the archery team this weekend with their tournament at Triton. Go chargers!

### STUDENT OF THE WEEK!

Meet Hunter Nobbe! His proud parents are Sam and Joanna. He also has a sister named Grace. Hunter is one of a kind! He is very sweet and so caring! He once bought a backpack for a classmate because he knew he needed a new one! Hunter really enjoys school. His favorite subjects are Math and Science. In his free time, he likes building Legos (especially cars and ramps). He also likes playing football. Hunter is very excited to have a new foreign exchange student at his house this year. He is from Italy. Hunter says that they get a foreign exchange student every year and he loves learning about the different countries and cultures. One unique thing about Hunter is that he has had to undergo 12 surgeries. That is a lot for a kid, but Hunter won't let that stop him! He has a positive attitude about life! We sure are lucky to have him as one of our students at North Decatur Elementary!
