Student Highlight of the Week:

Esley Adkins is a 6th grader in Mrs. Wallpe's homeroom. This is his first year at NDES. He has played on the Charger Football team for the last two years. He also likes to play golf. At home he spends his downtime watching movies, playing video games, and spending time with his family. He has one older sister and two younger sisters. Esley's favorite subject is math! Which will come in handy since he plans to be a pharmacist one day. He loves to eat ice cream with chocolate syrup and his favorite color is orange. Esley works hard, made the A/B honor roll for the first semester, always helps out in the classroom, and cares about his classmates. Esley is a great addition to our North Decatur Family!
