Friday: 10/30/20 HALLOWEEN PARTIES*

Our class parties will be different this year, like everything else in our world. The students will be having classroom parties, sponsored by PTO. They will purchase the treats. We will not have our costume parade or have any outside guests invited to our celebrations this year. We hope next year can bring some normalcy to our parental involvement.

STUDENT MASK OF THE WEEK!!

Josie Hartman (4M)

My name is Autumn Wilkening. I am a student teacher from IUPUC and will graduate this December. I was born and raised in Osgood, IN and graduated from Jac-Cen-Del in 2016. I now live in Batesville, IN where my fiancé and I just bought a house in May. In my spare time, I enjoy planning our wedding, spending time with family, and being outside.

This week's star student is Ayelah Smith. She is a second grader in Mrs. Kramer's class. She is the daughter of Felicia Smith. Ayelah has a big brother, Cayden, a little brother, Easton, and a little sister, June. She also has two cats and a dog. In her free time, she likes to play outside in her backyard with the chickens. When she grows up, she wants to be a hairstylist. Ayelah is an awesome student and gets along with everyone. We are so lucky to have her as a part of our NDE family!
