ATTENTION ---- NDE Charger Families!!
 As you have probably already heard, we are out for the next two weeks. Letters have been posted on our NDE Facebook Page. All Call was sent out to all of our families with the information.

We will be moving to all virtual learning for the next two weeks. We will be emailing the expectations for the students and the details provided by staffing.

We plan to continue to have high expectations for your child's learning and will need to work as a team for the success of your child.
 The students will have their resources and teachers will be posting assignments on SeeSaw or on Canvas.

Please look for the email of information coming!!

GIRLS BASKETBALL
 Next Week:
 All basketball practices and games are canceled until we return on Monday, November 16th.

This week, we have been admiring NDE's second grade students' pumpkin book report projects. After reading a fictional book, the students designed a pumpkin to resemble the main character in the book. The students completed a written book report and practiced their public speaking skills by giving the oral report to the class. We love seeing all the creativity and problem solving.

Congratulations!!
Super Sixth Graders for September:
Sarah Moeller & Grayson Downey

STUDENT MASK OF THE WEEK!!

MACY KINKER 6B

STUDENT HIGHLIGHT OF THE WEEK!!

Nora Lawburgh is a Third Grader in Mr. Walker's class. She is the daughter of Reuel and Crystal Lawburgh. Nora has two younger sisters, Eliza and Charlotte. She has one dog and one cat. In her free time, Nora likes to draw, play outside, and do crafts. When she grows up, she wants to help save animals. Nora is an awesome, hard-working student who gets along with everyone! She loves being a Charger at NDES!
