Free Lunch and Breakfast Announcement

Decatur County Community Schools has received guidance from the IDOE that we will be permitted to serve free lunch and breakfast to **ALL STUDENTS**, in-person and virtual, beginning Monday, September 14, 2020 through December 31, 2020. There is no need to fill out an application to receive this benefit.

We will still accept applications to cover textbook rental assistance and to make sure that families who qualify will be covered after this waiver expires on December 31, 2020. Additional information and menus can be found on our school lunch website (<https://decaturo.nutrislice.com/>) and on our Facebook page.

Please keep in mind that the Kindergarten extra milk will still be charged 30 cents per day if your student elects to take milk during their daily milk break.

Meet Reaghann Jones! She is a 3rd Grader in Mrs. Hoeing’s class. You can always find her smiling in class and the hallways! Reaghann has a younger sister, Kinley, and a younger brother, Layne. Reaghann would like to have a pet sitting business when she grows up. Her favorite color is purple and her favorite food is tuna casserole. Her favorite restaurant is Fire Side where her favorite thing to order is jalapeño poppers. Yum! Her birthday is July 16th. We are so proud to have Reaghann as a part of the NDE family.

My name is Melissa Nesbit. This is my second year at NDES. I work in the special education area. I graduated from NDHS in 2010. I have been married for six years. We have two kids Bentley and Kinsley Nesbit. I will be coaching girls’ basketball at NDES this year. I love it at NDES!
