Free/Reduced Lunch and Textbook Assistance

If you believe that you qualify for free or reduced priced lunch and textbooks, please complete the 2020-2021 Household Application for Free and Reduced Price School Meals and Textbooks. The application can be completed online through Harmony 3 Family Access or by picking up a paper copy in the front office at NDES.

Families that qualified for assistance last school year and have not already received notice of their student's assistance status for this school year will need to submit a completed application on or before Thursday, September 17, 2020 in order to continue to receive free or reduced priced school meals and textbooks.

My name is Christian McKinney. This is my 4th year as an Educational Assistant and 2nd year in the life skills room. I graduated from North Decatur High School in 2012. I am a huge St. Louis Cardinals fan, love the Colts, and The Indiana Hoosiers. I also have coached football and baseball at the high school for 5 years.

Karmyn Hale is a wonderful Second Grade addition to NDES. She is kind, caring, helpful, and a great student. We are so happy she moved here from North Vernon. She has two younger brothers and three boxers named Abel, Remmi, and Rokie. She has lots of favorites. Her favorite food is pizza, favorite activity is playing outside, favorite subject is math, and her favorite book is Rapunzel. Her favorite thing about NDES is her nice class. Mrs. Smith's classmates think she is very nice too. When she grows up, she wants to be a cosmetologist because she likes to do hair and nails. Welcome Karmyn! We are so glad you are a Charger.
