

2017-2018 / 2018-2019 Executive Board PTO Nominations

PTO is currently taking officer nominations for the Executive Board. If you or someone you know would like to be more involved in the PTO, please take this opportunity to nominate them. Self-nominations are welcome as well. **If no nominations are received, therefore resulting in not enough volunteers to fill the Executive Board, the PTO will be dissolved (refer to Article IX in PTO Bylaws).**

Candidates should consider the following:

- All positions are rewarding, fulfilling, and allow you to be very involved at your child(ren's) school
- The organization has been rebuilt and restructured from previous years to allow for a more simple and streamlined approach
- All positions are a two year term and do require a great deal of responsibility and time commitment. The best interest of the students and the school is always considered.
- Positions can be shared to help reduce the time commitment on any one person/position
- Immediate past president(s) stay on as ex officio members in an advisory capacity only for one year

Nomination and Election Process & Timeline:

- **Nomination Forms are Due on February 27, 2017**
- Interviews of candidates Feb 28th - March 6th
