1198 PRIDE SLIPS AND COUNTING.....

Principal Engel proudly tracks the number of PRIDE slips collected by our students so far this year. Way to Go MVED students.

A MESSAGE FROM PRINCIPAL ENGEL

Having the second-quarter end in the distance learning model was not how any of us envisioned it would be for our students and staff. I know that distance learning was challenging for some students while for others it worked well. Thank you to all of our parents and guardians for assisting your child during this time to ensure classes were attended and assignments were completed. In these challenging times, we ask that they continue to try their best and give it their all. With the second-quarter behind us, we get to start fresh with not only the third quarter but with in-person learning as well! It is exciting to have the students back in the building! Thank you for your continued support and flexibility as we continue on with our school year.

MVED IMPLEMENTING INCREASED USE OF THE REMIND APP

Staff will be using Remind as an additional means of communication for the remainder of the 2020-21 school year. Remind can send communications to a phone number, as well as email messages.

If you have not received an invitation from your student's classroom teacher, please reach out to them to get set-up.

INFINITE CAMPUS PARENT PORTAL COMING SOON TO MVED.

MVED staff is working to finalize the Infinite Campus Parent Portal. This portal will provide parents/guardians access to view their student's information via the Infinite Campus Website or SmartPhone app. More information will be provided to families soon.

A NOTE FROM PBIS COMMITTEE - PRIDE SLIPS AND BINGO

The PBIS Committee collected many pride slips during our recent distance learning period. Great job to the students who earned them.

Students were also invited to play Pride Bingo during this time and show MVED staff their completed cards to earn a prize. Two students completed their entire cards!

The PBIS Committee is looking forward to the start of the second semester and we are planning on more fun events and activities for our students and staff to participate in before the end of the school year.

COVID-19 REMINDERS FOR EVERYONE

Please remember to

- Wear a mask (also don't forget to wash frequently).
- Keep 6 feet from others
- Wash hands frequently
- If symptoms appear, stay home.
