## A NOTE FROM PBIS COMMITTEE - PANCAKES AND PRIDE CERTIFICATION

The PBIS Committee celebrated second-quarter success by making and serving the students pancakes. Dozens of pancakes were delivered to classrooms for hungry students to enjoy.

Our PBIS Committee recently completed the two-year training and now MVED is a certified PBIS school.

### A MESSAGE FROM PRINCIPAL ENGEL

Each time a quarter ends, I'm amazed by how fast it has gone. Quarter three seemed to fly by with students back in the building learning and growing. It has been great to have students back with in-person learning as I enjoy going into classrooms to watch them learn. The students have done a great job getting back into the routine of in-person learning while continuing to follow our safety guidelines. I have been so impressed by students keeping their masks up and social distancing to ensure we keep everyone safe

With the nice weather and time change, it is extremely important that students continue to get a good sleep. I know how hard it is to get kids to bed when the daylight hours get longer. However please remember that sleep plays an essential role in kids' brains to continue to learn as well as for their social/emotional well-being. A reminder that kids ages 6-12 need between 9-12 hours of sleep a night and kids age 13-18 need 8-10 hours of sleep a night.

Thank you for your continued support to help your child be successful!

## ORANGE YA GLAD it's FRIDAY

The students and staff celebrated the conclusion of a successful third quarter by having an orange-colored snack.

## INFINITE CAMPUS PARENT PORTAL COMING FALL 2021

MVED staff will be launching the Infinite Campus Parent Portal Fall 2021. This portal will provide parents/guardians access to view their student's information via the Infinite Campus Website or SmartPhone app. There is also a handy smartphone app (free to use) as well as the website version.
