

Bus Referrals

First offense: principal discretion

Second offense: 2-3 days suspension from riding the bus

Third offense: 5 day (one week) suspension from the bus

Fourth offense: removed from the bus for the remainder of the year

This is a basic guideline and does not take away a principal's ability to use common sense and adjust the discipline based on the incident. For example, we will most likely suspend a student from the bus if that student was involved in an assault or fight on a bus even if it is a first offense. A principal could also choose not to suspend on a second offense if it was, for example, a young student for a minor infraction.
