Kayla Lucas

Appreciates the teachers. New to the community. Will we be moving towards no masks?
Adding a lot of stress to students

Chris Willis

If students are not trained to wear masks it can cause more issues. What are masks doing? Many difficulties due to masks. Places that do not require masks seem to be doing better.

Kaylie Willis

Homeschooling and one in the high school. Safety issues. The minority should take advantage of the online program. School district very awesome. My kids want to come to school

VI.A.1.a. Matt Weber

Matt Weber presented information on the NAVIT program. Matt stated he is very grateful to work with Snowflake district. NAVIT is here to bring more CTE courses to the high school students. NAVIT facilitates certification for students. NAVIT has been bringing programs to students for 21 years. Not many districts add programs like Snowflake. There are seven other programs at the NPC campus. NAVIT also brings 301 money into the school for teachers. NAVIT brings in soft capital dollars to the district. NAVIT couldn't do what they do without the Snowflake staff. Looking for more funding to continue programs. Law and Public safety is only the 3rd program like this in

the state for students.
