## Middle School Program

## About Our Program

We prepare our middle school students for success in high school and beyond! Our teachers, certified in their content area, deliver engaging, hands-on lessons and real world experiences. Our rigorous curriculum includes Spanish I and Algebra I Honors, integrated technology and a Fine Arts Program. We offer numerous leadership/service opportunities as well as extra-curricular sports and clubs.

*Our middle schoolers are academically challenged, yet supported, and encouraged to become responsible and respectful members of our community and the world in which we live.*
