

"When choosing a PreK program, I did multiple school tours. At Holy Name, I could see how much the teachers adore the children. My daughter is always excited for school and never wants to miss a day!" (PreK Parent, 2019)

ABOUT OUR PROGRAM

The Holy Name School PreKindergarten program focuses on the social, emotional, spiritual, physical and academic needs of the four to five year old child. Our curriculum meets state and diocesan learning outcomes while meeting the developmental needs of young children. We strive to make learning fun, letting imagination lead the way, allowing students to feel loved and capable!

OUR HISTORY

Since 1960, Holy Name has served our community with "Academic Excellence Rooted in Catholic Values."

Today we offer an education based on diocesan and state learning standards with the support to meet the needs of all our students.
