

## Sequoyah Book Club

The library distributed a set of 2017 Sequoyah Masterlist bookmarks for each 9<sup>th</sup>-12<sup>th</sup> grade classroom. This will be a good way for students to keep track of the Sequoyah books they have read. They must read and write a book report (book report forms are enclosed and also in the library) over three Sequoyah books to be invited to attend the Sequoyah Book Voting party in March after Spring Break. **The book reports must be turned in by March 6<sup>th</sup>.** A special drawing for a gift will be given for students who read the most masterlist books. Students who meet the goal of three books or more will be rewarded with a trip to???
