

REFUNDS

Online Courses

We believe we offer the best online courses in the State of Florida, but we understand that sometimes online courses end up being more of a bother than you had bargained for. For that reason, we are open to offering a refund on a case-by-case basis. We cannot use your online tuition toward a classroom course.

If you request a refund for an online course within seven days of purchasing your online course, we will give you a refund if you have not advanced beyond Unit One of the course. You must request a refund in writing at admin@teamhughesrealestateschool.com

Classroom Courses

In order to receive a refund for your tuition, you must request it in writing at admin@teamhughesrealestateschool.com at least twenty-four (24) hours before the course begins; however, there will be a \$25 cancellation fee and, of course, your \$50 registration fee pays for your book and is not refundable.

Rather than requesting a refund, we have found in the past that many students who have conflicting schedules take advantage of letting us move them into another class, which we are always happy to do. Just call the school office or email us – it's that easy.

There are no refunds once the class has started. We realize, though, that sometimes life gets in the way and things happen. If you must drop out due to an unforeseen hardship, we will work with you so that you may continue in another class where you left off. There is no charge for this, but you must have a current curriculum book.
