

Welcome New 3rd Grader!

I hope that you are having a wonderful summer and are excited to begin a new school year in September. I am looking forward to seeing *YOU* and being your 3rd Grade teacher!

You must be eager to get your school supplies together, but it's a bit different for you this year! The list below is for the students that will be coming into the LBS building. I wanted you to have the list, **but you may not need all of it.** Please read the list and decide if these items would be helpful for you to have available.

One of our goals this year is to learn to organize our things. Some of the supplies listed below are helpful to being an organized 3rd Grader.

Thank you for getting these items together.

Stay healthy, have fun, and SEE YOU SOON!
