

Memorandum of Understanding

Extra-Curricular Activities for 2020-2021 School Year

Due to the fluidity of the school year, in the event academic or athletic seasons or contests are cancelled and/or modified, in response to COVID-19, it is the agreement that the following modifications be made for the Memorandum of Understanding:

All Extra Curricular Activity (ECA) paid stipend positions will be hired contingent upon the season/activity occurring. In other words, if the season/activity is cancelled, then compensation is not due except as follows:

- a. If only preseason is conducted and the ECA/season is cancelled, then twenty-five percent (25%) of the total stipend will be paid to the advisor/coach.
- b. If less than fifty percent of (50%) of the ECA/season is completed when the cancellation notice is received, then fifty percent (50%) of the total stipend will be paid to the advisor/coach. Administrators and athletic directors will determine at what point 50% is satisfied.
- c. If at least fifty percent (50%) of the ECA/season is complete when the cancellation notice is received, then full payment of stipend will be paid to the advisor/coach. Administrators and athletic directors will determine at what point 50% is satisfied.

Agreed on this 10th day of September, 2020;
