to me

The Brush Creek STEM night was a huge success.
Many students participated in the WJAA 96.3 Thanksgiving Essay contest.
We had a huge turnout for our annual Drive In movie night.
Our 3rd and 4th grade students put on an awesome Veterans Day Program.
Our 16 Student Council members took part in the High School Homecoming Parade,
and coordinated a canned food drive.
We had a packed gym for the kindergarten and first grade Christmas program.
Brush Creek was the overall winner in this year's Spell Bowl.
