Dear Parent or Guardian:

As we in the Mohawk Regional School District Cafeterias are gearing up for the 2018/2019 school year we would like to pass along some changes that will be happening. In order to remain in compliance with federal regulations, the prices for the full-priced school breakfast and lunches will be increasing for the start of the school year. All monies received from school meal sales go directly back into the school meals program to improve menu options and overall operations.

The updated prices for full and reduced-priced school breakfast and lunches are as follows:

Breakfast:

Elementary, Middle School, and High School: \$1.25 Reduced: \$.30

Lunch:

Elementary: \$2.60

Middle/High School: \$2.85

Reduced Lunch Price: \$.40

As always, we encourage any family who may qualify for free or reduced priced meals to fill out a household application, which can be found and printed from the www.mohawkschools.org website or you can contact the Food Service Department at any time to request an application be sent to your home.

We are looking forward to seeing everyone back for the school year, hope you had a wonderful summer.

Sincerely,

Debbie Plante and Tanmy Wheeler, Directors of Food and Nutrition Services
