MTRSD After Care Permission Slips

Walks/Hiking

Our after care program at times will be hiking behind the school on the trails located directly behind the school. I am first aid certified and will have a walkie-talkie, first aid bag, cellphone and a second person with me on these trips.

Yes **No** **My child has permission to explore the woods behind the school**

Homework Help

The MTRSD after care program has time set aside for students to do their homework. We have aids and instructors that can assist with homework as needed. Also, we have access to computers if some students need them for their homework.

However, we understand that some families like to have their children do homework at home where they can monitor their progress. We have decided to have homework be optional, but parents make the decision.

If you would prefer your child(ren) to do homework at after care please fill out this form. We will have a list of names and will make sure that your child has finished their homework.
