## WELCOME BACK

Welcome back, and welcome to a new school year. I had the privilege of spending a lot of time with my friends and family this summer enjoying the beautiful weather and the natural world. I hope all of our families were able to enjoy a little slower pace and some quality time with those they care about.

As we launch into a new school year, I'm looking forward to expanding our Service Learning approach to education as well as helping students focus on being kind friends and contributing, problem-solving members of their communities.
