Goodwill * Responsibility * Integrity * Teamwork

From the Principal

Dear Hawlemont Families,

I am sending our newsletter today instead of Friday as I know you all have many questions.

I know some of you have wondered why Mohawk Trail families got a letter and you have not. I just would like to explain where Hawlemont is in the process.

On Monday, August 10th the Budget Subcommittee met and that meeting ended with wanting to review the budgets for the different models in the [return to learn plan](#). Because the follow up budget meeting is on the same day as the vote, we did not send out to Hawlemont community. With that said, we anticipate that we will be recommending the same model (all remote) that was recommended to the Mohawk Trail community.

The Budget Subcommittee meeting and the School Committee meeting are both public meetings and I welcome you to join virtually. You can call in or get on the google meet by following the links in the events section.

I am hopeful that we will have a vote Friday night and move forward with a model.

I hope to “see” you at the meetings on Friday!

Lindsay Rodriguez
Principal
