Goodwill * Responsibility * Integrity * Teamwork

From the Principal

Dear Hawlemont Families,

I hope you all had a great week. Check out the Superintendent's weekly video message [here](#).

As we rapidly approach the new school year with Remote Learning as our opening model, we are continuing to refine student daily schedules. On the following page we have outlined what you can expect your child's final schedule (to be sent at a later date) to include:

- Daily schedule
- Attendance taken daily
- Morning start with classroom teacher
- Lunch/Recess
- Afternoon electives, assignments, individual student scheduled times

Again, this is a snapshot of what a day/week will include, with more details to follow as teachers come back for the year and begin to work on the details of daily schedules. The morning will be scheduled with direct instruction with teachers and classmates. The afternoon is scheduled more flexibly so families can do independent work when it works for you, or connect with teachers and classmates if it works in your schedule.

Please do not hesitate to contact me if you need further clarification and/or have specific questions regarding your child's schedule.
