★ Be a Sanderson Hero ★

★ Send a Kid to Camp

Keewaydin Environmental Education Center has been a tradition at Sanderson since 1987. Students of the 5th grade spend a week together in Salisbury Vermont learning about natural science, local history, human impact, and land use. They record what they learn in journals, work cooperatively and experience a week away from home. Each year the current 5th grade spends much of their year fundraising for the whole class to attend. They work very hard to make Camp Keewaydin happen for every student and so can you! Be a Sanderson Hero and send a kid to camp!

Donors will receive a thank you card with photos of kids at camp.

H01 \$50.00

H02 \$100.00

★ Sponsor an All School Assembly

Each year the PTO works hard to offer several educational and cultural All School Assemblies. They are often the most cherished part of the school year. In past years we have hosted Chinese Acrobats, Live Jungle Animals, Cultural Story Tellers, and Classical Music performers. The cost of all school assemblies runs from \$200 - \$900 and let me tell you that is a whole lot of bake sales!! Be a Sanderson Hero and YOU can have direct impact on school programming by helping to bring an All School Assembly to the kids.

Donors receive a special thank you card from school kids and grateful recognition during the assembly.
