Dear Parents and Students,

As we are meeting the challenge to move our classes to an online platform, we would like to share some valuable resources to help you as we embark on this new journey. Our teachers will be using Zoom for online instruction as well as Google Classroom. We cannot stress enough the importance of checking your email several times throughout the day. **Chromebooks are available for checkout for students in 3rd – 8th grades who do not have a device.** If you wish to checkout a Chromebook, please print, sign and return the attached form. [Chromebook Checkout Form](#) The form will also be available to download from our website.
