Dear Parents and Students,

Below is an announcement from TVEPA:

**FREE to the public!** TVIfiber has a WiFi Hotspot at the north parking lot of Batesville's Civic Center!

Due to the recent CDC guidelines concerning the COVID-19 virus outbreak, TVIfiber recognizes the need for people to have access to high speed internet for their businesses, working remotely, and for students to complete assignments or for online classes. Simply park in the north end of the Civic Center's parking lot and connect to the TVIfiber WiFi signal. Due to the recommendation of social distancing we ask that you please remain in or near your own vehicle at this time.

TVEPA is proud to be able to step up during this critical time, to provide services from TVIfiber in order to help those in need of high speed Internet.

You can also access North Delta's Wifi from the school's parking lot. Again, due to the recommendation of social distancing we ask that you please remain in or near your own vehicle at this time.

Sincerely,

Teri Bridges
